***gHIP PPO
Benefit Booklet***

Dear Plan Member:

This Benefit Booklet provides a summary explanation of your benefits, limitations and other plan provisions which apply to you.

Subscribers and covered dependents ("members") are referred to in this booklet as "you" and "your". The *plan administrator* is the Administrative Committee of the Google LLC Welfare Benefit Plan, which has delegated certain duties to Anthem Blue Cross Life and Health. Collectively, Google and Anthem Blue Cross Life and Health are referred to as "we", "us" and "our".

All italicized words have specific definitions. These definitions can be found either in the specific section or in the DEFINITIONS section of this booklet.

Please read this Benefit Booklet ("*benefit booklet*") carefully so that you understand all the benefits your *plan* offers. Keep this Benefit Booklet handy in case you have any questions about your coverage.

Important: This is not an insured benefit plan. The benefits described in this Benefit Booklet or any rider or amendments hereto are funded by the *plan administrator* who is responsible for their payment. Anthem Blue Cross Life and Health Insurance Company provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Anthem Blue Cross Life and Health Insurance Company is an independent licensee of the Blue Cross Association.

This Benefit Booklet describes benefits under the Google LLC Welfare Benefit Plan (the "Plan"). You should review this Benefit Booklet along with the Google LLC Welfare Benefit Plan Summary Plan Description ("SPD"), which can be found at [goto/benefitdocuments](#).

The Google LLC Welfare Benefit Plan SPD includes important information about all of the health and welfare benefits offered by Google LLC, including information about employee and dependent eligibility, enrollment, when coverage begins and ends, COBRA continuation coverage, and where to find more information on all of the Google LLC health and welfare benefits.

This Benefits Booklet is a subset of the information that applies to the Google LLC Welfare Benefit Plan. This Benefits Booklet describes the specific medical benefits that are covered under your Anthem benefit plan option. This Benefits Booklet also includes the procedures for filing a claim and appeal with Anthem for medical benefits.

These two documents together – the Benefits Booklet and the Google LLC Welfare Benefit Plan SPD – constitute the full Summary Plan Description for ERISA purposes.

COMPLAINT NOTICE

All complaints and disputes relating to coverage under this *plan* must be resolved in accordance with the *plan's* grievance procedures. Grievances may be made by telephone (please call the number described on your Identification Card) or in writing (write to Anthem Blue Cross Life and Health Insurance Company, 21215 Burbank Blvd., Woodland Hills, CA 91367 marked to the attention of the Member Services Department named on your identification card). If you wish, the Claims Administrator will provide a Complaint Form which you may use to explain the matter.

Claims Administered by:

ANTHEM BLUE CROSS

on behalf of

ANTHEM BLUE CROSS LIFE AND HEALTH INSURANCE COMPANY

BENEFITS AT A GLANCE

This "Benefits at a Glance" section is provided as a brief summary of the benefits provided under this plan. You need to refer to this entire Benefit Booklet for complete information about the benefits, conditions, limitations and exclusions of your plan.

Cost of care at a glance

	In-network coverage – member responsibility	Out-of-network coverage – member responsibility
Coinsurance	10% after deductible unless otherwise specified in benefits below	30% after deductible unless otherwise specified in benefits below
Deductible	\$1,500 individual/\$3,000 family	\$3,000 individual/\$6,000 family
Primary care physician office visit only	10% coinsurance after deductible	30% coinsurance after deductible
Specialist office visit	10% coinsurance after deductible	30% coinsurance after deductible
Urgent care	10% coinsurance after deductible	10% coinsurance after in-network deductible
Emergency room	10% coinsurance after deductible	10% coinsurance after in-network deductible
Inpatient hospital	10% coinsurance after deductible	30% coinsurance after deductible
Out-of-pocket maximum	\$2,600 individual/\$5,200 family	\$5,200 individual/\$10,400 family

Google contribution to Health Savings Account: \$1,000 individual/\$2,000 family

Lifetime maximum: There is no lifetime maximum on the amount the plan will pay for in-network and out-of-network services.

Deductible: All family members contribute towards the family deductible. An individual cannot have claims covered under the Plan coinsurance until the total family deductible has been satisfied under the Plan coinsurance. (Please see important note in Coordination of Benefits > Effect on Benefits: **gHIP As Secondary Coverage**).

Out-of-pocket accumulation method: Deductible, coinsurance and pharmacy counts towards Out-of-pocket maximum. All family members contribute towards the family out-of-pocket maximum. An individual cannot have claims covered at 100% until the total family out-of-pocket maximum has been satisfied.

Network medical benefits provide coverage for care in-network. To receive network medical benefits, members or dependents may be required to pay a portion of the covered expenses for services and supplies. That portion is the Copay.

If unable to locate an In-Network Provider in their area who can provide members with a service or supply that is covered under this plan, members must call the number on the back of their I.D. card to obtain authorization for Out-of-Network Provider coverage. When members obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

The member is responsible for any deductible, coinsurance and amount above the allowed amount. (This also applies to any claim that receives the in-network reimbursement level for a non-participating provider.)

Benefit details

Physician home/office	In-network	Out-of-network
Office/home visits	10% coinsurance after deductible	30% coinsurance after deductible
Allergy testing and treatment Includes allergy serum (dispensed by the physician in the office), is not subject to office visit coinsurance	10% coinsurance after deductible	30% coinsurance after deductible
Consultation/second surgical opinion	10% coinsurance after deductible	30% coinsurance after deductible
Diagnostic x-rays, lab tests (non-routine) When performed in office	10% coinsurance after deductible	30% coinsurance after deductible
Injections	10% coinsurance after deductible	30% coinsurance after deductible
Office surgery	10% coinsurance after deductible	30% coinsurance after deductible
Telemedicine	No coinsurance (Subject to change if the Public Health Emergency (PHE) declaration is lifted.)	30% coinsurance after deductible

Urgent Care	10% coinsurance after deductible	10% coinsurance after in-network deductible

Emergency services are medical, psychiatric, surgical, hospital and related health care services and testing, including ambulance service, which are required to treat a sudden, unexpected onset of a bodily injury or serious sickness which could reasonably be expected by a prudent layperson to result in serious medical complications, loss of life or permanent impairment to bodily functions in the absence of immediate medical attention.

Examples of emergency situations include uncontrolled bleeding, seizures or loss of consciousness, shortness of breath, chest pains or severe squeezing sensations in the chest, suspected overdose of medication or poisoning, sudden paralysis or slurred speech, burns, cuts and broken bones.

Family planning and maternity	In-network	Out-of-network
Family planning Covered for birth control as well as medical conditions.	Covered at 100%	Covered at 100%
Contraceptives and counseling All Food and Drug Administration approved contraceptive methods, sterilization procedures, and patient education and counseling for all women with reproductive capacity Over the counter contraceptives are not covered	Covered at 100%	Covered at 100%

Consolidated Appropriations Act of 2021 Notice

Consolidated Appropriations Act of 2021 (CAA)

The *Consolidated Appropriations Act of 2021 (CAA)* is a federal law that includes the No Surprises Act as well as the provider transparency requirements that are described below.

The CAA provisions within this *plan* apply unless state law or any other provisions within this *plan* are more advantageous to you.

Surprise Billing Claims

Surprise Billing Claims are claims that are subject to the No Surprises Act requirements:

- *Emergency services provided by non-participating providers;*
- *Covered services provided by a non-participating provider at a participating provider facility; and*
- *Non-participating providers air ambulance services.*

No Surprises Act Requirements

Emergency Services

As required by the CAA, *emergency medical conditions* are covered under your *plan*:

- Without the need for pre-certification;
- Whether the provider is a *participating provider* or *non-participating provider*;

If the *emergency medical conditions* you receive are provided by a *non-participating provider*, Covered services will be processed at the *participating provider* benefit level.

Note that if you receive *emergency services* from a *non-participating provider*, your out-of-pocket costs will be limited to amounts that would apply if the covered services had been furnished by a *participating provider*. However, *non-participating provider* cost-shares (i.e., Copayments, Deductibles and/or Coinsurance) will apply to your claim if the treating *non-participating provider* determines you are stable, meaning you have been provided necessary *emergency care* such that your condition will not materially worsen and the *non-participating provider* determines: (i) that you are able to travel to a *participating provider facility* by non-emergency transport; (ii) the *non-participating provider* complies with the notice and consent requirement; and (iii) you are in condition to receive the information and provide informed consent. If you continue to receive services from the *non-participating provider* after you are stabilized, you will be responsible for the *non-participating provider* cost-shares, and the *non-participating provider* will also be able to charge you any difference between the *maximum allowed amount* and the *non-participating provider's* billed charges. This notice and consent exception does not apply if the covered services furnished by a *non-participating provider* result from unforeseen and urgent medical needs arising at the time of service.

Non-Participating Services Provided at a Participating Provider Facility

When you receive covered services from a *non-participating provider* at a *participating provider facility*, your claims will be paid at the *non-participating provider* benefit level if the *non-participating provider* gives you proper notice of its charges, and you give written consent to such charges. This means you will be responsible for out-of-network cost-shares for those services and the *non-participating provider* can also charge you any difference between the *maximum allowed amount* and the *non-participating provider's* billed charges. This requirement does not apply to ancillary services. Ancillary services are one of the following services: (A) *emergency care*; (B) anesthesiology; (C) laboratory and pathology services; (D) radiology; (E) neonatology; (F) diagnostic services; (G) assistant surgeons; (H) hospitalists; (I) intensivists; and (J) any services set out by the U.S. Department of Health & Human Services. In addition, Anthem will not apply this notice and consent process to you if Anthem does not have a *participating provider* in your area who can perform the services you require.

Non-participating providers satisfy the notice and consent requirement as follows:

1. By obtaining your written consent not later than 72 hours prior to the delivery of services; or
2. If the notice and consent is given on the date of the service, if you make an appointment within 72 hours of the services being delivered.

How Cost-Shares Are Calculated

Your cost shares for *emergency care* services or for covered services received by a *non-participating provider* at a *participating provider facility*, will be calculated using the median *plan a participating provider* contract rate that we pay *participating providers* for the geographic area where the covered service is provided. Any out-of-pocket cost shares you pay to a *non-participating provider* for either *emergency* services or for covered services provided by a *non-participating provider* at a *participating provider facility* will be applied to your *Participating Provider Out-of-Pocket Limit*.

Appeals

If you receive *emergency care* services from a *non-participating provider* or covered services from a *non-participating provider* at a *participating provider facility* or *non-participating air ambulance* services and believe those services are covered by the No Surprises Act, you have the right to appeal that claim. If your appeal of a *Surprise Billing Claim* is denied, then you have a right to appeal the adverse decision to an Independent Review Organization as set out in the "Your Right To Appeals" section of this Benefit Book.

Provider Directories

The Claims Administrator is required to confirm the list of In-Network Providers in its Provider Directory every 90 days. If you can show that you received inaccurate information from The Claims Administrator that a Provider was In-Network on a particular claim, then you will only be liable for In-Network cost shares (i.e., Copayments, Deductibles, and/or Coinsurance) for that claim. Your In-Network cost shares will be calculated based upon the Maximum Allowed Amount.

Transparency Requirements

Anthem provides the following information on its website (i.e., www.anthem.com/ca):

- Protections with respect to *Surprise Billing Claims* by providers, including information on how to contact state and federal agencies if you believe a Provider has violated the No Surprises Act.

You may also obtain the following information on The Claims Administrator's website or by calling Member Services at the phone number on the back of your ID Card:

- Cost sharing information for 500 defined services, as required by the Centers for Medicare & Medicaid Services (CMS); and
- A listing / directory of all In-Network Providers.

In addition, Anthem will provide access through its website to the following information:

- *Participating provider* negotiated rates; and
- Historical *non-participating provider* rates.

TYPES OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. THE MEANINGS OF WORDS AND PHRASES IN ITALICS ARE DESCRIBED IN THE SECTION OF THIS BOOKLET ENTITLED DEFINITIONS.

Participating Providers. There are two kinds of *participating providers* in this *plan*:

- **PPO Providers** are providers who participate in a Blue Cross and/or Blue Shield Plan. PPO Providers have agreed to a rate they will accept as reimbursement for covered services that is generally lower than the rate charged by Traditional Providers. *Participating providers* have agreed to a rate they will accept as reimbursement for covered services.
- **Traditional Providers** are providers who might not participate in a Blue Cross and/or Blue Shield Plan, but have agreed to a rate they will accept as reimbursement for covered services for PPO members.

The level of benefits paid under this *plan* is determined as follows:

- If your *plan* identification card (ID card) shows a PPO suitcase logo and:
 - You go to a PPO Provider, you will get the higher level of benefits of this *plan*.
 - You go to a Traditional Provider because there are no PPO Providers in your area, you will get the higher level of benefits of this *plan*.
- If your ID card does NOT have a PPO suitcase logo, you must go to a Traditional Provider to get the higher level of benefits of this *plan*.

Note: All prescription drug benefits are provided through CVS Caremark.

Connect with Us Using Our Mobile App. As soon as you enroll in this plan, you should download our mobile app. You can find details on how to do this on our website, www.anthem.com/ca.

Our goal is to make it easy for you to find answers to your questions. You can chat with us live in the app, or contact us on our website, www.anthem.com/ca.

How to Access Primary and Specialty Care Services

Your health plan covers care provided by primary care *physicians* and specialty care providers. To see a primary care *physician*, simply visit any *participating provider physician* who is a general or family practitioner, internist or pediatrician. Your health plan also covers care provided by any *participating provider specialty care provider* you choose (certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy), see "Physician," below). Referrals are never needed to visit any *participating provider specialty care provider* including a behavioral health care provider.

- To make an appointment call your *physician's* office:
- Tell them you are a PPO Plan *member*.

- Have your Member ID card handy. They may ask you for your group number, member I.D. number, or office visit copay.
- Tell them the reason for your visit.

When you go for your appointment, bring your Member ID card.

After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. Call your *physician* for instructions on how to receive medical care after their normal business hours, on weekends and holidays. This includes information about how to receive non-*emergency* care and non-*urgent care* within the service area for a condition that is not life threatening, but that requires prompt medical attention. If you have an *emergency*, call 911 or go to the nearest emergency room.

Please call the toll-free BlueCard Provider Access number on your ID card to find a *participating provider* in your area. A directory of PPO Providers is available upon request.

Certain categories of providers defined in this *benefit booklet* as *participating providers* may not be available in the Blue Cross and/or Blue Shield Plan in the service area where you receive services. See "Co-Payments" in the SUMMARY OF BENEFITS section and "Maximum Allowed Amount" in the YOUR MEDICAL BENEFITS section for additional information on how health care services you obtain from such providers are covered.

Non-Participating Providers. *Non-participating providers* are providers which have not agreed to participate in a Blue Cross and/or Blue Shield Plan. They have not agreed to the reimbursement rates and other provisions.

The *claims administrator* has processes to review claims before and after payment to detect fraud, waste, abuse and other inappropriate activity. *Members* seeking services from *non-participating providers* could be balance billed by the *non-participating provider* for those services that are determined to be not payable as a result of these review processes and meets the criteria set forth in any applicable state regulations adopted pursuant to state law. A claim may also be determined to be not payable due to a provider's failure to submit medical records with the claims that are under review in these processes.

Note: All prescription drug benefits are provided through CVS Caremark.

Physicians. "Physician" means more than an M.D. Certain other practitioners are included in this term as it is used throughout the *plan*. This doesn't mean they can provide every service that a medical doctor could; it just means that the *plan* will cover expense you incur from them when they're practicing within their specialty the same as if the care were provided by a medical doctor.

Other Health Care Providers. *Other health care providers* are neither *physicians* nor *hospitals*. See the definition of "Other Health Care Providers" in the DEFINITIONS section for a complete list of those providers. *Other health care providers* are not *participating providers*.

Reproductive Health Care Services. Some *hospitals* and other providers do not provide one or more of the following services that may be covered under your *plan* and that you or your dependent might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective *physician* or clinic, or call the member services

telephone number listed on your ID card to ensure that you can obtain the health care services that you need.

Centers of Medical Excellence and Blue Distinction Centers. The *claims administrator* is providing access to *Centers of Medical Excellence* (CME) networks and *Blue Distinction Centers for Specialty Care* (BDCSC). The facilities included in each of these networks are selected to provide the following specified medical services:

- **Transplant Facilities.** Transplant facilities have been organized to provide services for the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Subject to any applicable co-payments or deductibles, *CME* and *BDCSC* have agreed to a rate they will accept as payment in full for covered services.
- **Bariatric Facilities.** Hospital facilities have been organized to provide services for bariatric surgical procedures, such as gastric bypass and other surgical procedures for weight loss programs.

Care Outside the United States—BlueCross BlueShield Global Core

Prior to travel outside the United States, call the Member Services telephone number listed on your ID card to find out if your plan has BlueCross BlueShield Global Core benefits. Your coverage outside the United States is limited and the *claims administrator* recommends:

- Before you leave home, call the Member Services number on your ID card for coverage details. **You have coverage for services and supplies furnished in connection only with urgent care or an emergency when travelling outside the United States.**
- Always carry your current ID card.
- In an emergency, seek medical treatment immediately.
- **The BlueCross BlueShield Global Core Service Center is available 24 hours a day, seven days a week toll-free at (800) 810-BLUE (2583) or by calling collect at (804) 673-1177.** An assistance coordinator, along with a medical professional, will arrange a *physician* appointment or hospitalization, if needed.

Payment Information

- **Participating BlueCross BlueShield Global Core hospitals.** In most cases, you should not have to pay upfront for inpatient care at participating BlueCross BlueShield Global Core *hospitals* except for the out-of-pocket costs you normally pay (non-covered services, deductible, co-payments, and co-insurance). The *hospital* should submit your claim on your behalf.
- **Doctors and/or non-participating hospitals.** You will have to pay upfront for outpatient services, care received from a *physician*, and inpatient care from a *hospital* that is not a participating BlueCross BlueShield Global Core *hospital*. Then you can complete a BlueCross BlueShield Global Core claim form and send it with the original bill(s) to the BlueCross BlueShield Global Core Service Center (the address is on the form).

Claim Filing

- **Participating BlueCross BlueShield Global Core hospitals will file your claim on your behalf.** You will have to pay the *hospital* for the out-of-pocket costs you normally pay.
- **You must file the claim** for outpatient and *physician* care, or inpatient *hospital* care not provided by a participating BlueCross BlueShield Global Core *hospital*. You will need to pay the health care provider and subsequently send an international claim form with the original bills to the *claims administrator*.

Additional Information About BlueCross BlueShield Global Core Claims.

- You are responsible, at your expense, for obtaining an English-language translation of foreign country provider claims and medical records.
- Exchange rates are determined as follows:
 - For inpatient *hospital* care, the rate is based on the date of admission.
 - For outpatient and professional services, the rate is based on the date the service is provided.

Claim Forms

- International claim forms are available from the *claims administrator*, from the BlueCross BlueShield Global Core Service Center, or online at:

www.bcbsglobalcore.com

The address for submitting claims is on the form.

Premise Health/One Medical Onsite Clinics. These are onsite clinic providers contracted by your employer. Onsite clinical benefits are available to employees only and not family members.

SUMMARY OF BENEFITS

YOUR EMPLOYER HAS AGREED TO BE SUBJECT TO THE TERMS AND CONDITIONS OF ANTHEM'S PROVIDER AGREEMENTS WHICH MAY INCLUDE PRE-SERVICE REVIEW AND UTILIZATION MANAGEMENT REQUIREMENTS, COORDINATION OF BENEFITS, TIMELY FILING LIMITS, AND OTHER REQUIREMENTS TO ADMINISTER THE BENEFITS UNDER THIS PLAN.

THE BENEFITS OF THIS PLAN ARE PROVIDED ONLY FOR SERVICES WHICH ARE CONSIDERED TO BE MEDICALLY NECESSARY. THE FACT THAT A PHYSICIAN PRESCRIBES OR ORDERS THE SERVICE DOES NOT, IN ITSELF, MAKE IT MEDICALLY NECESSARY OR COVERED.

This summary provides a brief outline of your benefits. You need to refer to the entire *benefit booklet* for complete information about the benefits, conditions, limitations and exclusions of your *plan*.

Second Opinions. If you have a question about your condition or about a plan of treatment which your *physician* has recommended, you may receive a second medical opinion from another *physician*. This second opinion visit will be provided according to the benefits, limitations, and exclusions of this *plan*. If you wish to receive a second medical opinion, remember that greater benefits are provided when you choose a *participating provider*. You may also ask your *physician* to refer you to a *participating provider* to receive a second opinion.

After Hours Care. After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. You should call your *physician* for instructions on how to receive medical care after their normal business hours, on weekends and holidays, or to receive non-*emergency* care and non-*urgent care* within the service area for a condition that is not life threatening but that requires prompt medical attention. If you have an *emergency*, call 911 or go to the nearest emergency room.

All benefits are subject to coordination with benefits under certain other plans.

MEDICAL BENEFITS

DEDUCTIBLES

Calendar Year Deductibles

- Member Deductible
 - Participating providers and other health care providers* **\$1,500**
 - Non-participating providers* **\$3,000**
- Family Deductible
 - Participating providers and other health care providers* **\$3,000**
 - Non-participating providers* **\$6,000**

Exceptions: In certain circumstances, one or more of these Deductibles may not apply, as described below:

- The Calendar Year Deductible will not apply to benefits for Preventive Care Services provided by a *participating provider*.
- Please see important note in Coordination of Benefits > Effect on Benefits: **gHIP As Secondary Coverage**.

CO-PAYMENTS (CO-INSURANCE)

Medical Co-Payments (Co-Insurance).* After you have met your Calendar Year Deductible, and any other applicable deductible, you will be responsible for the following percentages of the *maximum allowed amount***.

- *Participating Providers* **10%**
- *Other Health Care Providers* **10%**
- *Non-Participating Providers* **30%**

Note: In addition to the Co-Payment shown above, you will be required to pay any amount in excess of the *maximum allowed amount* for the services of an *other health care provider* or *non-participating provider*.

***Exceptions:**

- There will be no Co-Payment for any covered services provided by a *participating provider* under the Preventive Care benefit.

- Your Co-Payment for *non-participating providers* will be the same as for *participating providers* for the following services. You may be responsible for charges which exceed the *maximum allowed amount*.
 - a. All *emergency services*. As described in the “Consolidated Appropriations Act of 2021 Notice” at the front of this Booklet, *non-participating providers* may only bill you for any applicable Co-Payment, Deductible and Coinsurance and may not bill you for any charges over the *plan’s maximum allowed amount* until the treating *non-participating provider* has determined you are stable. Please refer to the notice at the beginning of this booklet for more details.
 - b. An *authorized referral* from the *claims administrator* to a *non-participating provider*;
 - c. Charges by a type of *physician* not represented in a Blue Cross and/or Blue Shield Plan; or
 - d. Cancer Clinical Trials.
- After you have met your Calendar Year Deductible, your Co-Payment for covered services provided under the Hospice Care benefit will be **10%**.
- After you have met your Calendar Year Deductible, no Co-Payment will be required for virtual visits provided by a *participating provider*.
- After you have met your Calendar Year Deductible, no Co-Payment will be required for outpatient nutritional evaluations provided by a *participating provider*.
- If you receive services from a category of provider defined in this *benefit booklet* as an *other health care provider* but such a provider participates in the Blue Cross and/or Blue Shield Plan in that service area, your Co-Payment will be as follows:
 - a. if you go to a *participating provider*, your Co-payment will be the same as for *participating providers*.
 - b. if you go to a *non-participating provider*, your Co-Payment will be the same as for *non-participating providers*.
- If you receive services from a category of provider defined in this *benefit booklet* as a *participating provider* that is **not** available in the Blue Cross and/or Blue Shield Plan in that service area, your Co-Payment will be the same as for *participating providers*.
- After you have met your Calendar Year Deductible, no Co-Payment will be required for specified transplants (heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures) determined to be *medically necessary* and performed at a designated *CME* or *BDCSC*. See UTILIZATION REVIEW PROGRAM.

NOTE: No Co-Payment will be required for the transplant travel expenses authorized by the *claims administrator* in connection with a specified transplant performed at a designated *CME* or *BDCSC*. Transplant travel expense coverage is available when the closest *CME* or *BDCSC* is 75 miles or more from the recipient’s or donor’s residence.

- No Co-Payment will be required for benefits provided under the Supplemental Travel Expense benefit.
- Your Co-Payment for *residential treatment center* services when pre-certification is not obtained (and services are approved by *claims administrator*) will be **50%**.

****Non-Certification Penalty.** The *maximum allowed amount* is **reduced by 50% (up to a maximum of \$300)** for hospital services when prior authorization is not obtained. This penalty will be deducted from the *maximum allowed amount* prior to calculating your Co-Payment amount, and any benefit payment by the *claims administrator* will be based on such reduced *maximum allowed amount*. You are responsible for paying this extra expense. This reduction will only be waived for the first 48 hours for *emergency services*. To avoid this penalty, be sure to obtain prior authorization for any hospital admissions prior to the date of admission.

OUT-OF-POCKET AMOUNT

Out-of-Pocket Amount*. After you have made the following total out-of-pocket payments for covered services and supplies during a *calendar year*, you will no longer be required to pay a Co-Payment for the remainder of that *year*, but you remain responsible for costs in excess of the *maximum allowed amount* or the prescription drug maximum allowed amount.

Per member:

- *Participating providers and other health care providers* **\$2,600**
- *Non-participating providers* **\$5,200**

Per family

- *Participating providers and other health care providers* **\$5,200**
- *Non-participating providers*..... **\$10,400**

Note: Any expense applied to any deductible and any co-payments for prescription drugs (provided under your CVS Caremark drug plan) will apply toward the satisfaction of the Out-of-Pocket Amount.

Prescription drug benefits are provided through CVS Caremark. These services are referenced in the Anthem Summary of Coverage document found on the Important Benefits Documents page.

***Exceptions:**

- Expense which is incurred for non-covered services or supplies, which is incurred for non-certification penalties or which is in excess of the *maximum allowed amount* or the prescription drug maximum allowed amount, will not be applied toward your Out-of-Pocket Amount.

MEDICAL BENEFIT MAXIMUMS

The *plan* will pay, for the following services and supplies, up to the maximum amounts, or for the maximum number of days or visits shown below:

Skilled Nursing Facility

- For covered *skilled nursing facility* care **100 days**
per *calendar year*

Transplant Travel Expense

- For all authorized travel expense
in connection with a specified transplant
performed at a designated *CME* or *BDCSC*..... **\$10,000**
per transplant

Supplemental Travel Expense

- For all authorized travel expense
in connection with a specified procedure **\$5,000**
per procedure

Lifetime Maximum

- For all medical benefits..... **Unlimited**

DEDUCTIBLE

Calendar Year Deductible. Under this *plan* there is a Calendar Year Deductible that must be satisfied in each *calendar year* before the *plan* begins to pay benefits.

Subscriber. If only the *subscriber* is covered under this plan, each *year* such *subscriber* will be responsible for satisfying the Member Deductible before benefits are paid.

Dependents. If the *subscriber* and one or more members of the subscriber's family are enrolled under this *plan*, the members of the enrolled family must satisfy the Family Deductible. Once the Family Deductible is satisfied, no further Calendar Year Deductible expense will be required for any enrolled member of that family.

Anthem Plan Calendar Year Deductibles and Out-of-Pocket Maximums. If you were covered under an Anthem plan sponsored by Google, any amount paid during the same calendar year toward your calendar year deductible under the prior Anthem plan, will be applied toward your Calendar Year Deductible and Out-of-Pocket Maximum under the new Anthem plan; provided that, such payments were for charges that would be covered expense under previous Anthem plan.

Participating Providers and Other Health Care Providers. Covered charges up to the *maximum allowed amount* for the services of all providers will be applied to the *participating provider* and *other health care provider* Calendar Year and Family Deductibles. When these deductibles are met, however, benefits will be paid only for the services of *participating providers*, and *other health care providers*. No benefits will be paid for *non-participating providers* unless the separate *non-participating provider* Calendar Year or Family Deductible (as applicable) is met.

Non-Participating Providers. Covered charges up to the *maximum allowed amount* for the services of all providers will be applied to the *non-participating provider* Calendar Year and Family Deductibles. Benefits will be paid for the services of *non-participating providers* only when the applicable *non-participating provider* deductible is met.

gHIP As Secondary Coverage. See important note in Coordination of Benefits > Effect On Benefits.

OUT-OF-POCKET AMOUNTS

Satisfaction of the Out-of-Pocket Amount*. If, after you have met your Calendar Year Deductible, you pay Co-Payments equal to your Out-of-Pocket Amount per *member* during a *calendar year*, you will no longer be required to make Co-Payments for any *covered expense* you incur during the remainder of that *year*.

Covered charges applied to your Calendar Year Deductible will be applied to both the *participating provider* and *other health care provider* Out-of-Pocket Amount and the *non-participating provider* Out-of-Pocket Amount no matter where such charges are incurred.

Participating Providers and Other Health Care Providers. Covered charges up to the *maximum allowed amount* for the services of all providers will be applied to the *participating provider* and *other health care provider* Out-of-Pocket Amount.

After this Out-of-Pocket Amount has been satisfied during a *calendar year*, you will no longer be required to make any Co-Payment for the covered services provided by a *participating provider* or *other health care provider* for the remainder of that *year*.

Non-Participating Providers. Covered charges up to the *maximum allowed amount* for the services of all providers will be applied to the *non-participating provider* Out-of-Pocket Amount. After this Out-of-Pocket Amount has been satisfied during a *calendar year*, you will no longer be required to make any Co-Payment for the covered services provided by a *non-participating provider* for the remainder of that *year*.

Family Maximum Out-of-Pocket Amount*. When the *subscriber* and one or more members of the subscriber's family are insured under this *plan*, if members of an insured family satisfy the Family Out-of-Pocket Amount during a *calendar year*, no further Out-of-Pocket Amount will be required for any insured member of that family for expenses incurred during that *year*.

Note: Any expense applied to any deductible and any co-payments for prescription drugs (provided under your CVS Caremark drug plan) will apply toward the satisfaction of the Out-of-Pocket Amount.

Charges Which Do Not Apply Toward the Out-Of-Pocket Amount. The following charges will not be applied toward satisfaction of an Out-Of-Pocket Amount:

- Charges for services or supplies not covered under this *plan*.
- Charges which exceed the *maximum allowed amount*.
- Charges which exceed the prescription drug maximum allowed amount.
- Charges for non-certification penalties.

YOUR MEDICAL BENEFITS

MAXIMUM ALLOWED AMOUNT

General

This section describes the term “*maximum allowed amount*” as used in this Benefit Booklet, and what the term means to you when obtaining covered services under this *plan*. The *maximum allowed amount* is the total reimbursement payable under your plan for covered services you receive from *participating* and *non-participating providers*. It is the payment towards the services billed by your provider combined with any Deductible or Co-Payment owed by you. In some cases, you may be required to pay the entire *maximum allowed amount*. For instance, if you have not met your Deductible under this *plan*, then you could be responsible for paying the entire *maximum allowed amount* for covered services. Except for *surprise billing claims*, when you receive services from a *non-participating provider*, you may be responsible for paying any difference between the *maximum allowed amount* and the provider’s actual charges. In many situations, this difference could be significant.

**Surprise billing claims are described in the “Consolidated Appropriations Act of 2021 Notice” at the front of this booklet. Please refer to that section for further details.*

Provided below are two examples, which illustrate how the *maximum allowed amount* works. These examples are for illustration purposes only.

Example: The plan has a *member* Co-Payment of 30% for *participating provider* services after the Deductible has been met.

- The *member* receives services from a *participating* surgeon. The charge is \$2,000. The *maximum allowed amount* under the plan for the surgery is \$1,000. The *member’s* Co-Payment responsibility when a *participating* surgeon is used is 30% of \$1,000, or \$300. This is what the *member* pays. The plan pays 70% of \$1,000, or \$700. The *participating* surgeon accepts the total of \$1,000 as reimbursement for the surgery regardless of the charges.

Example: The plan has a *member* Co-Payment of 50% for *non-participating provider* services after the Deductible has been met.

- The *member* receives services from a *non-participating* surgeon. The charge is \$2,000. The *maximum allowed amount* under the plan for the surgery is \$1,000. The *member’s* Co-Payment responsibility when a *non-participating* surgeon is used is 50% of \$1,000, or \$500. The plan pays the remaining 50% of \$1,000, or \$500. In addition, the *non-participating* surgeon could bill the *member* the difference between \$2,000 and \$1,000. So the *member’s* total out-of-pocket charge would be \$500 plus an additional \$1,000, for a total of \$1,500.

When you receive covered services, the *claims administrator* will, to the extent applicable, apply claim processing rules to the claim submitted. The *claims administrator* uses these rules to evaluate the claim information and determine the accuracy and appropriateness of the procedure and diagnosis codes included in the submitted claim. Applying these rules may affect the *maximum allowed amount* if the *claims administrator* determines that the procedure and/or diagnosis codes used were inconsistent with procedure coding rules and/or reimbursement policies. For example, if your provider submits a claim using several

procedure codes when there is a single procedure code that includes all of the procedures that were performed, the *maximum allowed amount* will be based on the single procedure code.

Provider Network Status

The *maximum allowed amount* may vary depending upon whether the provider is a *participating provider*, a *non-participating provider* or *other health care provider*.

Participating Providers. For covered services performed by a *participating provider* the *maximum allowed amount* for this *plan* will be the rate the *participating provider* has agreed with the *claims administrator* to accept as reimbursement for the covered services. Because *participating providers* have agreed to accept the *maximum allowed amount* as payment in full for those covered services, they should not send you a bill or collect for amounts above the *maximum allowed amount*. However, you may receive a bill or be asked to pay all or a portion of the *maximum allowed amount* to the extent you have not met your Deductible or have a Co-Payment. Please call the member services telephone number on your ID card for help in finding a *participating provider* or visit www.anthem.com/ca.

If you go to a *hospital* which is a *participating provider*, you should not assume all providers in that *hospital* are also *participating providers*. To receive the greater benefits afforded when covered services are provided by a *participating provider*, you should request that all your provider services (such as services by an anesthesiologist) be performed by *participating providers* whenever you enter a *hospital*.

If you are planning to have outpatient surgery, you should first find out if the *facility* where the surgery is to be performed is an *ambulatory surgical center*. An *ambulatory surgical center* is licensed as a separate *facility* even though it may be located on the same grounds as a *hospital* (although this is not always the case). If the center is licensed separately, you should find out if the *facility* is a *participating provider* before undergoing the surgery.

Note: If an *other health care provider* is participating in a Blue Cross and/or Blue Shield Plan at the time you receive services, such provider will be considered a *participating provider* for the purposes of determining the *maximum allowed amount*.

If a provider defined in this *benefit booklet* as a *participating provider* is of a type not represented in the local Blue Cross and/or Blue Shield Plan at the time you receive services, such provider will be considered a *non-participating provider* for the purposes of determining the *maximum allowed amount*.

Non-Participating Providers and Other Health Care Providers.*

Non-participating providers or *other health care providers*, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. Except for *surprise billing claims*, for covered services you receive from a *non-participating provider* or *other health care provider*, the *maximum allowed amount* will be based on the applicable *non-participating provider* rate or fee schedule for this *plan*, an amount negotiated by the *claims administrator* or a third party vendor which has been agreed to by the *non-participating provider*, an amount derived from the total charges billed by the *non-participating provider*, an amount based on information provided by a third party vendor, or an amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the *maximum*

allowed amount upon the level or method of reimbursement used by CMS, the *claims administrator* will update such information, which is unadjusted for geographic locality, no less than annually.

Providers who are not contracted for this product, but are contracted for other products, are also considered *non-participating providers*. For this *plan*, the *maximum allowed amount* for services from these providers will be one of the methods shown above unless the provider's contract specifies a different amount or if your claim involves a *surprise billing claim*.

For covered services rendered outside the Anthem Blue Cross service area by *non-participating providers*, claims may be priced using the local Blue Cross Blue Shield plan's *non-participating provider* fee schedule / rate or the pricing arrangements required by applicable state or federal law. In certain situations, the *maximum allowed amount* for out of area claims may be based on billed charges, the pricing used if the healthcare services had been obtained within the Anthem Blue Cross service area, or a special negotiated price.

Unlike *participating providers*, *non-participating providers* and *other health care providers* may send you a bill and collect for the amount of the *non-participating provider's* or *other health care provider's* charge that exceeds the *maximum allowed amount* under this *plan*. Except for *surprise billing claims*, you may be responsible for paying the difference between the *maximum allowed amount* and the amount the *non-participating provider* or *other health care provider* charges. This amount can be significant. Choosing a *participating provider* will likely result in lower out of pocket costs to you. Provider network status may change without notice and even though the provider finder tool is updated frequently, it is recommended that you verify provider status by calling member services. Please call the member services number on your ID card for help in finding a *participating provider* or visit the website www.anthem.com/ca. Member services is also available to assist you in determining this *plan's maximum allowed amount* for a particular covered service from a *non-participating provider* or *other health care provider*.

Please see the "Inter-Plan Arrangements" provision in the section entitled GENERAL PROVISIONS for additional information.

***Exceptions:**

- **Cancer Clinical Trials.** The *maximum allowed amount* for services and supplies provided in connection with Cancer Clinical Trials will be the lesser of the billed charge or the amount that ordinarily applies when services are provided by a *participating provider*.
- **If Medicare is the primary payor, the *maximum allowed amount* does not include any charge:**
 1. By a *hospital*, in excess of the approved amount as determined by Medicare; or
 2. By a *physician* who is a *participating provider* who accepts Medicare assignment, in excess of the approved amount as determined by Medicare; or
 3. By a *physician* who is a *non-participating provider* or *other health care provider* who accepts Medicare assignment, in excess of the lesser of *maximum allowed amount* stated above, or the approved amount as determined by Medicare; or

4. By a *physician* or *other health care provider* who does not accept Medicare assignment, in excess of the lesser of the *maximum allowed amount* stated above, or the limiting charge as determined by Medicare.

You will always be responsible for expense incurred which is not covered under this *plan*.

COST SHARE

For certain covered services, and depending on your plan design, you may be required to pay all or a part of the *maximum allowed amount* as your cost share amount (Deductibles or Co-Payments). Your cost share amount and the Out-Of-Pocket Amounts may be different depending on whether you received covered services from a *participating provider* or *non-participating provider*. Specifically, you may be required to pay higher cost-sharing amounts or may have limits on your benefits when using *non-participating providers*. Please see the SUMMARY OF BENEFITS section for your cost share responsibilities and limitations, or call the member services telephone number on your ID card to learn how this *plan's* benefits or cost share amount may vary by the type of provider you use.

The *claims administrator* will not provide any reimbursement for non-covered services. You may be responsible for the total amount billed by your provider for non-covered services, regardless of whether such services are performed by a *participating provider* or *non-participating provider*. Non-covered services include services specifically excluded from coverage by the terms of your plan and services received after benefits have been exhausted. Benefits may be exhausted by exceeding, for example, Medical Benefit Maximums or day/visit limits.

In some instances you may only be asked to pay the lower *participating provider* cost share percentage when you use a *non-participating provider*. For example, if you go to a *participating* hospital or *facility* and receive covered services from a *non-participating provider* such as a radiologist, anesthesiologist or pathologist providing services at the hospital or *facility*, you will pay the *participating provider* cost share percentage of the *maximum allowed amount* for those covered services. However, you also may be liable for the difference between the *maximum allowed amount* and the *non-participating provider's* charge.

AUTHORIZED REFERRALS

In some circumstances the *claims administrator* may authorize *participating provider* cost share amounts (Deductibles or Co-Payments) to apply to a claim for a covered service you receive from a *non-participating provider*. In such circumstance, you or your *physician* must contact the *claims administrator* in advance of obtaining the covered service. It is your responsibility to ensure that the *claims administrator* has been contacted. If the *claims administrator* authorizes a *participating provider* cost share amount to apply to a covered service received from a *non-participating provider*, you also may still be liable for the difference between the *maximum allowed amount* and the *non-participating provider's* charge. Please call the member services telephone number on your ID card for *authorized referral* information or to request authorization.

CO-PAYMENTS (CO-INSURANCE) AND MEDICAL BENEFIT MAXIMUMS

After you satisfy your Deductible, your Co-Payment will be subtracted and the *plan* will pay benefits up to the *maximum allowed amount*, not to exceed any applicable Medical Benefit Maximum. The Co-Payments and Medical Benefit Maximums are set forth in the SUMMARY OF BENEFITS.

CO-PAYMENTS (CO-INSURANCE)

After you have satisfied any applicable deductible, your Co-Payment will be subtracted from the *maximum allowed amount* remaining.

If your Co-Payment is a percentage, the applicable percentage will apply to the *maximum allowed amount* remaining after any deductible has been met. This will determine the dollar amount of your Co-Payment.

If you are on temporary assignment or a dependent who is a student studying abroad (as determined by Google in its sole discretion) outside of the United States and need medical services, coverage will be provided at the *non-participating provider* benefit level. You must obtain an itemized bill* containing the following:

Employee Name
Patient Name
Type of Service/Procedure Code
Provider Name/Credentials
Provider Address
Provider Identification Number (if available)
Date of Service (mm/dd/yy)
Diagnosis Code (ICD-9 format)
Charge for each service (no lump sums)

*If the itemized bill is in a foreign language, you will need to have it translated into English.

MEDICAL BENEFIT MAXIMUMS

The *plan* does not make benefit payments for any *member* in excess of any of the Medical Benefit Maximums.

CONDITIONS OF COVERAGE

The following conditions of coverage must be met for expense incurred for services or supplies to be covered under this plan.

1. You must incur this expense while you are covered under this *plan*. Expense is incurred on the date you receive the service or supply for which the charge is made.
2. The expense must be for a medical service or supply furnished to you as a result of illness or injury or pregnancy, unless a specific exception is made.
3. The expense must be for a medical service or supply included in MEDICAL CARE THAT IS COVERED. Additional limits on covered charges are included under specific benefits and in the SUMMARY OF BENEFITS.
4. The expense must not be for a medical service or supply listed in MEDICAL CARE THAT IS NOT COVERED. If the service or supply is partially excluded, then only that portion which is not excluded will be covered under this *plan*.

5. The expense must not exceed any of the maximum benefits or limitations of this *plan*.
6. Any services received must be those which are regularly provided and billed by the provider. In addition, those services must be consistent with the illness, injury, degree of disability and your medical needs. Benefits are provided only for the number of days required to treat your illness or injury.
7. All services and supplies must be ordered by a *physician*.

MEDICAL CARE THAT IS COVERED

Subject to the Medical Benefit Maximums in the SUMMARY OF BENEFITS, the requirements set forth under CONDITIONS OF COVERAGE and the exclusions or limitations listed under MEDICAL CARE THAT IS NOT COVERED, the *plan* will provide benefits for the following services and supplies:

Urgent Care. Services and supplies received to prevent serious deterioration of your health or, in the case of pregnancy, the health of the unborn child, resulting from an unforeseen illness, medical condition, or complication of an existing condition, including pregnancy, for which treatment cannot be delayed. Urgent care services are not *emergency services*. Services for urgent care are typically provided by an *urgent care center* or other *facility* such as a physician's office. Urgent care can be obtained from *participating providers* or *non-participating providers*.

Hospital

1. Inpatient services and supplies, provided by a *hospital*. The *maximum allowed amount* will not include charges in excess of the *hospital's* prevailing two-bed room rate unless your *physician* orders, and the *claims administrator* authorizes, a private room as *medically necessary*.
2. Services in *special care units*.
3. Outpatient services and supplies provided by a *hospital*, including outpatient surgery.

Hospital services are subject to pre-service review to determine medical necessity. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

Skilled Nursing Facility. Inpatient services and supplies provided by a *skilled nursing facility*, for up to 100 days per *calendar year*. The amount by which your room charge exceeds the prevailing two-bed room rate of the *skilled nursing facility* is not considered covered under this *plan*.

Skilled nursing facility services and supplies are subject to pre-service review to determine medical necessity. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

If covered charges are applied toward the Calendar Year Deductible and payment is not provided, those days will be included in the 100 days for that *year*.

Home Health Care. Benefits are available for covered services performed by a *home health agency* or other provider in your home. The following are services provided by a *home health agency*:

1. Services of a registered nurse or licensed vocational nurse under the supervision of a registered nurse or a *physician*.

2. Services of a licensed therapist for physical therapy, occupational therapy, speech therapy, or respiratory therapy.
3. Services of a medical social service worker.
4. Services of a health aide who is employed by (or who contracts with) a *home health agency*. Services must be ordered and supervised by a registered nurse employed by the *home health agency* as professional coordinator. These services are covered only if you are also receiving the services listed in 1 or 2 above. Other organizations may give services only when approved by the *claims administrator*, and their duties must be assigned and supervised by a professional nurse on the staff of the *home health agency* or other provider as approved by the *claims administrator*.
5. *Medically necessary* supplies provided by the *home health agency*.

Home health care services are not covered if received while you are receiving benefits under the "Hospice Care" provision of this section.

Hospice Care. You are eligible for *hospice* care if your *physician* and the *hospice* medical director certify that you are terminally ill and likely have less than twelve (12) months to live. You may access *hospice* care while participating in a clinical trial or continuing disease modifying therapy, as ordered by your treating *physician*. Disease modifying therapy treats the underlying terminal illness.

The services and supplies listed below are covered when provided by a *hospice* for the palliative treatment of pain and other symptoms associated with a terminal disease. Covered services include:

1. Interdisciplinary team care with the development and maintenance of an appropriate plan of care.
2. Short-term inpatient *hospital* care when required in periods of crisis or as respite care.
3. Skilled nursing services provided by or under the supervision of a registered nurse. Certified home health aide services and homemaker services provided under the supervision of a registered nurse.
4. Social services and counseling services provided by a qualified social worker.
5. Dietary and nutritional guidance. Nutritional support such as intravenous feeding or hyperalimentation.
6. Physical therapy, occupational therapy, speech therapy, and respiratory therapy provided by a licensed therapist.
7. Volunteer services provided by trained *hospice* volunteers under the direction of a *hospice* staff member.
8. Pharmaceuticals, medical equipment, and supplies necessary for the management of your condition. Oxygen and related respiratory therapy supplies.
9. Bereavement (grief) services, including a review of the needs of the bereaved family and the development of a care plan to meet those needs, both before and after the *member's* death. Bereavement services are available to the patient and those individuals who are closely linked to the patient, including the immediate family, the primary or designated care giver and individuals with significant personal ties, for one year after the *member's* death.

10. Palliative care (care which controls pain and relieves symptoms, but does not cure) which is appropriate for the illness.

Your *physician* must consent to your care by the *hospice* and must be consulted in the development of your treatment plan. The *hospice* must submit a written treatment plan to the *claims administrator* every 30 days.

Benefits for services beyond those listed above that are given for disease modification or palliation, such as but not limited to chemotherapy and radiation therapy, are available to a *member* in *hospice*. These services are covered under other parts of this *plan*.

This *plan's hospice* benefit will meet or exceed Medicare's *hospice* benefit. If you use a *non-participating provider*, that provider may also bill you for any charges over Medicare's *hospice* benefit unless your claim involves a *surprise billing claim*.

Infusion Therapy. The following services and supplies when provided by a *home infusion therapy provider* in your home for the intravenous administration of your total daily nutritional intake or fluid requirements, including but not limited to Parenteral Therapy and Total Parenteral Nutrition (TPN), medication related to illness or injury, chemotherapy, antibiotic therapy, aerosol therapy, tocolytic therapy, special therapy, intravenous hydration, or pain management:

1. Medication, ancillary medical supplies and supply delivery, (not to exceed a 14-day supply); but medication which is delivered but not administered is not covered;
2. Pharmacy compounding and dispensing services (including pharmacy support) for intravenous solutions and medications;
3. *Hospital* and home clinical visits related to the administration of infusion therapy, including skilled nursing services including those provided for: (a) patient or alternative caregiver training; and (b) visits to monitor the therapy;
4. Rental and purchase charges for durable medical equipment (as shown below); maintenance and repair charges for such equipment;
5. Laboratory services to monitor the patient's response to therapy regimen.
6. Total Parenteral Nutrition (TPN), Enteral Nutrition Therapy, antibiotic therapy, pain management, chemotherapy, and may also include injections (intra-muscular, subcutaneous, or continuous subcutaneous).

Ambulatory Surgical Center. Services and supplies provided by an *ambulatory surgical center* in connection with outpatient surgery.

Retail Health Clinic. Services and supplies provided by medical professionals who provide basic medical services in a retail health clinic including, but not limited to:

1. Exams for minor illnesses and injuries.
2. Preventive services and vaccinations.

3. Health condition monitoring and testing.

Virtual Visits (Telemedicine / Telehealth Visits). Covered services include virtual Telemedicine / Telehealth visits that are appropriately provided through the internet via video chat or voice. This includes visits with *physicians* who also provide services in person, as well as online-only *physicians*.

“Telemedicine / Telehealth” means the delivery of health care or other health services using electronic communications and information technology, including: live (synchronous) secure videoconferencing or secure instant messaging through our mobile app and interactive store and forward (asynchronous) technology, facsimile, audio-only telephone or electronic mail. Covered services are provided to facilitate the diagnosis, consultation and treatment, education, care management and self-management of a patient's physical and/or mental health. Benefits for Telehealth are provided on the same basis and to the same extent as the same covered services provided through in-person contact. In-person contact between a health care *physician* and the patient is not required for these services, and the type of setting where these services are provided is not limited. Coverage under this section is not limited to services delivered to select third-party corporate telehealth providers.

Please Note: Not all services can be delivered through virtual visits. Certain services require equipment and/or direct physical hands-on care that cannot be provided remotely. Also, please note that not all *physicians* offer virtual visits.

Benefits do not include the use of texting (outside of our mobile app) or non-secure instant messaging. Benefits also do not include reporting normal lab or other test results, requesting office visits, getting answers to billing, insurance coverage or payment questions, asking for referrals to *physicians* outside our network, benefit precertification or *physician to physician* discussions.

If you have any questions about this coverage, please contact Member Services at the number on the back of your Identification Card.

For *mental health or substance use disorder* online care visits, please see the “Mental Health and Substance Use Disorder” benefit for a description of this coverage.

Professional Services

1. Services of a *physician*.
2. Services of an anesthetist (M.D. or C.R.N.A.).

Reconstructive Surgery. Reconstructive surgery performed to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomatology or creating a normal appearance. This includes *medically necessary* dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures. “Cleft palate” means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

Ambulance. Ambulance services are covered when you are transported by a state licensed vehicle that is designed, equipped, and used to transport the sick and injured and is staffed by Emergency Medical

Technicians (EMTs), paramedics, or other licensed or certified medical professionals. Ambulance services are covered when one or more of the following criteria are met:

- For ground ambulance, you are transported:
 - From your home, or from the scene of an accident or medical *emergency*, to a *hospital*,
 - Between *hospitals*, including when you are required to move from a *hospital* that does not contract with the *claims administrator* to one that does, or
 - Between a *hospital* and a *skilled nursing facility* or other approved *facility*.
- For air or water ambulance, you are transported:
 - From the scene of an accident or medical *emergency* to a *hospital*,
 - Between hospitals, including when you are required to move from a hospital that does not contract with the *claims administrator* to one that does, or
 - Between a hospital and another approved *facility*.

Ambulance services are subject to medical necessity reviews. Pre-service review is required for air ambulance in a non-medical *emergency*. When using an air ambulance in a non-emergency situation, the *claims administrator* reserves the right to select the air ambulance provider. If you do not use the air ambulance the *claims administrator* selects in a non-emergency situation, no coverage will be provided.

You must be taken to the nearest *facility* that can provide care for your condition. In certain cases, coverage may be approved for transportation to a *facility* that is not the nearest *facility*.

Coverage includes *medically necessary* treatment of an illness or injury by medical professionals from an ambulance service, even if you are not transported to a *hospital*. Ambulance services are not covered when another type of transportation can be used without endangering your health. Ambulance services for your convenience or the convenience of your *family members* or *physician* are not a covered service.

Other non-covered ambulance services include, but are not limited to, trips to:

- A *physician's* office or clinic;
- A morgue or funeral home.

If provided through the 911 emergency response system*, ambulance services are covered if you reasonably believed that a medical *emergency* existed even if you are not transported to a *hospital*.

Important information about air ambulance coverage. Coverage is only provided for air ambulance services when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger your health and your medical condition requires a more rapid transport to a *hospital* than the ground ambulance can provide, this *plan* will cover the air ambulance. Air ambulance will also be covered if you are in a location that a ground or water ambulance cannot reach.

Air ambulance will not be covered if you are taken to a *hospital* that is not an acute care *hospital* (such as a skilled nursing *facility* or a rehabilitation *facility*), or if you are taken to a *physician's* office or to your home.

Hospital to hospital transport: If you are being transported from one *hospital* to another, air ambulance will only be covered if using a ground ambulance would endanger your health and if the *hospital* that first treats you cannot give you the medical services you need. Certain specialized services are not available at all *hospitals*. For example, burn care, cardiac care, trauma care, and critical care are only available at certain *hospitals*. For services to be covered, you must be taken to the closest *hospital* that can treat you. Coverage is not provided for air ambulance transfers because you, your family, or your *physician* prefers a specific *hospital* or *physician*.

* If you have an *emergency* medical condition that requires an emergency response, please call the "911" emergency response system if you are in an area where the system is established and operating.

Diagnostic Services. Outpatient diagnostic imaging and laboratory services. This does not include services covered under the "Advanced Imaging Procedures" provision of this section.

Advanced Imaging Procedures. Imaging procedures, including, but not limited to, Magnetic Resonance Imaging (MRI), Computerized Tomography (CT scans), Positron Emission Tomography (PET scan), Magnetic Resonance Spectroscopy (MRS scan), Magnetic Resonance Angiogram (MRA scan), Echocardiography and nuclear cardiac imaging.

Radiation Therapy

Chemotherapy

Hemodialysis Treatment.

Gene Therapy Services. Your *plan* includes benefits for gene therapy services, when the *claims administrator* approves the benefits in advance through precertification. See the "Utilization Review Program" for details on the precertification process. To be eligible for coverage, services must be *medically necessary* and performed by an approved *physician* at an approved treatment center. Even if a *physician* is a *participating provider* for other services it may not be an approved provider for certain gene therapy services. Please call the claims administrator to find out which providers are approved *physicians*. (When calling Member Services, ask for the Transplant Case Manager for further details.)

Services Not Eligible for Coverage

Your *plan* does not include benefits for the following:

- i. Services determined to be Experimental / Investigational;
- ii. Services provided by a non-approved provider or at a non-approved *facility*; or
- iii. Services not approved in advance through precertification.

Prosthetic Devices

1. Breast prostheses and surgical bras following a mastectomy.
2. *Prosthetic devices* to restore a method of speaking when required as a result of a covered *medically necessary* laryngectomy.
3. The *plan* will pay for other *medically necessary prosthetic devices*, including:
 - a. Surgical implants;
 - b. Artificial limbs or eyes;
 - c. The first pair of contact lenses or eye glasses when required as a result of a covered *medically necessary* eye surgery;
 - d. Therapeutic shoes and inserts for the prevention and treatment of diabetes-related foot complications;
 - e. Orthopedic footwear used as an integral part of a brace; shoe inserts that are custom molded to the patient;
 - f. Wigs and cranial prosthesis for cancer and alopecia patients; and
 - g. Orthotics for treatment of flat feet.

Durable Medical Equipment. Rental or purchase of dialysis equipment; dialysis supplies. Rental or purchase of other medical equipment and supplies which are:

1. Of no further use when medical needs end;
2. For the exclusive use of the patient;
3. Not primarily for comfort or hygiene;
4. Not for environmental control or for exercise; and
5. Manufactured specifically for medical use.

For continuous positive airway pressure (CPAP) machines, coverage is provided for rental and/or rent to own options only.

Pediatric Asthma Equipment and Supplies. The following items and services when required for the *medically necessary* treatment of asthma in a dependent *child*:

1. Nebulizers, including face masks and tubing. These items are covered under the *plan's* medical benefits and are not subject to any limitations or maximums that apply to coverage for durable medical equipment (see "Durable Medical Equipment").
2. Education for pediatric asthma, including education to enable the *child* to properly use the items listed above. This education will be covered under the *plan's* benefits for office visits to a *physician*.

Blood. Blood transfusions, including blood processing and the cost of unreplaced blood and blood products. Charges for the collection, processing and storage of self-donated blood are covered, but only when specifically collected for a planned and covered surgical procedure.

Dental Care

1. **Admissions for Dental Care.** Listed inpatient *hospital* services for up to three days during a *hospital stay*, when such *stay* is required for dental treatment and has been ordered by a *physician* (M.D.) and a dentist (D.D.S. or D.M.D.). The *claims administrator* will make the final determination as to whether the dental treatment could have been safely rendered in another setting due to the nature of the procedure or your medical condition. *Hospital stays* for the purpose of administering general anesthesia are not considered necessary and are not covered except as specified in #2, below.
2. **General Anesthesia.** General anesthesia and associated *facility* charges when your clinical status or underlying medical condition requires that dental procedures be rendered in a *hospital* or *ambulatory surgical center*. This applies only if (a) the *member* is less than seven years old, (b) the *member* is developmentally disabled, or (c) the *member's* health is compromised and general anesthesia is *medically necessary*. Charges for the dental procedure itself, including professional fees of a dentist, are not covered.
3. **Dental Injury.** Services of a *physician* (M.D.) or dentist (D.D.S. or D.M.D.) solely to treat an *accidental injury* to natural teeth. Coverage shall be limited to only such services that are *medically necessary* to repair the damage done by the *accidental injury* and/or restore function lost as a direct result of the *accidental injury*. Damage to natural teeth due to chewing or biting is not *accidental injury* unless the chewing or biting results from a medical or mental condition.
4. **Cleft Palate.** *Medically necessary* dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures. "Cleft palate" means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

Important: If you decide to receive dental services that are not covered under this *plan*, a *participating provider* who is a dentist may charge you his or her usual and customary rate for those services. Prior to providing you with dental services that are not a covered benefit, the dentist should provide a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about the dental services that are covered under this *plan*, please call the member services telephone number listed on your ID card. To fully understand your coverage under this *plan*, please carefully review this *benefit booklet* document.

Pregnancy and Maternity Care

1. All medical benefits for an enrolled *member* when provided for pregnancy or maternity care, including the following services:
 - a. Prenatal, postnatal and postpartum care;
 - b. Ambulatory care services (including ultrasounds, fetal non-stress tests, *physician* office visits, and other *medically necessary* maternity services performed outside of a *hospital*);
 - c. Involuntary complications of pregnancy;

- d. Diagnosis of genetic disorders in cases of high-risk pregnancy; and
- e. Inpatient *hospital* care including labor and delivery.

Inpatient *hospital* benefits in connection with childbirth will be provided for at least 48 hours following a normal delivery or 96 hours following a cesarean section, unless the mother and her *physician* decide on an earlier discharge. Please see the section entitled FOR YOUR INFORMATION for a statement of your rights under federal law regarding these services.

Midwife services are covered if: a) provided by a licensed and certified participating midwife who has a collaborative relationship with a participating *physician*, b) acting within the scope of his/her license, and c) the services are provided in a participating *facility* such as a *hospital* or birthing center and in home.

- 2. Medical *hospital* benefits for routine nursery care of a newborn *child*, if the *child's* natural mother is an enrolled *member*. Routine nursery care of a newborn child includes screening of a newborn for genetic diseases, congenital conditions, and other health conditions provided through a program established by law or regulation.
- 3. Certain services are covered under the "Preventive Care Services" benefit. Please see that provision for further details.

Abortion Services. Benefits include all abortion and abortion-related services, including pre-abortion and follow-up services. For outpatient abortion services, precertification is not required.

"Abortion" means a medical treatment intended to induce the termination of a pregnancy except for the purpose of producing a live birth.

Supplemental Travel Expense Benefit

If an otherwise covered In-Network or Out-of-Network health service is not available in your state of residence due to (1) a law or regulation that restricts a provider from providing the service in the state, and the service is typically within the scope of the provider's licensure in the state, or (2) an administrative rule (that is not a law or regulation) or enforcement scheme that may demonstrably result in legal liability for you, or for the parent or guardian of a minor child obtaining such service, the plan provides reimbursement up to \$5,000 per service for travel and lodging expenses for the person seeking such services to receive the service at the nearest, appropriate provider in a state where the otherwise covered service is permitted by law/regulation, or rule/scheme, applicable to the state where the service is received.

This includes reimbursement for travel and lodging expenses for up to one companion for the person seeking the covered services. Calendar Year Deductible applies, then coverage will be provided at 100% of allowable charges for up to \$5,000 per service. Travel and lodging expenses are subject to IRS limits in Publication 502. Beyond the IRS limits, up to \$5,000 per procedure in lodging expenses may be reimbursed to the employee through payroll and subject to taxes. Travel benefits for fertility treatment or services are excluded and not covered under this Plan.

Some state or local laws restrict the scope of health care services that a provider may render. In such cases, the plan will not cover such health care services unless travel is to a state or locality without such a restriction to receive such care. Examples of such services include, depending on your location, abortion and certain gender affirming care/procedures. Please see below for information about the travel benefits provided under the plan for such services. Call the Member Services number on your ID card for coverage details.

Please note the following:

Lodging. Lodging incurred directly en route from the member's/patient's permanent residence to the medical care *facility* and back. Your health plan shall provide assistance for the lesser of the actual lodging charges of \$50 per night for the member/patient and for the companion/caregiver, and up to the maximum benefit of \$50 per night.

Mileage. The maximum benefit is for mileage equal to **one round trip** to the medical care *facility* for the member/patient (companion/caregiver may accompany). Any commuting to and from the medical care *facility* outside of this is not a covered benefit. Mileage is calculated using Google map search and reimbursed per the Internal Revenue Service (IRS) Guidelines for medical-related mileage. Your health plan does not provide assistance for parking fees, tolls, gas, car maintenance, repairs, or the like.

Air Transportation. If the distance from the member's/patient's permanent residence and the medical care *facility* is three hundred (300) miles or more, the member/patient may utilize air transportation. However, this is reimbursable at coach level fare. Your health plan shall assist with the cost of the airfare for the member/patient and the companion/caregiver.

If a member/patient requires air transportation, some of the fees for rental car, buses, taxis/ride share services, or shuttle services are a covered benefit. Assistance for the fees for the rental car, buses, taxis/ride share services, or shuttle services will only be covered for the day of arrival to the medical care *facility* city, and the day of departure from the medical care *facility* city. The fees for these transportation services for the days between arrival and departure date are not a covered benefit.

Mileage/transport to and from the member's/patient's permanent residence, and to and from the member's/patient's home city airport, is a covered benefit. Likewise, mileage/transport to and from the medical care *facility* airport, and to and from the medical care *facility*, is a covered benefit. Charges for baggage are covered, if a receipt is provided.

Transplant Services. Services and supplies provided in connection with a non-*investigative* human solid organ or tissue transplant, if you are:

1. The recipient; or
2. The donor.

If you are the recipient, an organ or tissue donor who is not a *member* is also eligible for services as described. Benefits are reduced by any amounts paid or payable by that donor's own coverage. The *maximum allowed amount* for a donor, including donor testing and donor search, is limited to expense incurred for *medically necessary* medical services only. The *maximum allowed amount* for services incident to obtaining the transplanted material from a living donor or a human organ transplant bank will be covered. Such charges, including complications from the donor procedure for up to six weeks from the date of procurement, are covered. Services for treatment of a condition that is not directly related to, or a direct result of, the transplant are not covered. An unrelated donor search may be required when the patient has a disease for which a transplant is needed and a suitable donor within the family is not available.

Covered services are subject to any applicable deductibles, co-payments and medical benefit maximums set forth in the SUMMARY OF BENEFITS. The *maximum allowed amount* does not include charges for services received without first obtaining the *claims administrator's* prior authorization or which are provided at a *facility* other than an approved transplant center. See UTILIZATION REVIEW PROGRAM for details.

Specified Transplants

You must obtain the *claims administrator's* prior authorization for all services including, but not limited to, preoperative tests and postoperative care related to the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Call the toll-free telephone number for pre-service review on your identification card if your *physician* recommends a specified transplant for your medical care. A case manager transplant coordinator will assist in facilitating your access to a *CME* or *BDCSC*. See UTILIZATION REVIEW PROGRAM for details.

Transplant Travel Expense

Certain travel expenses incurred in connection with an approved, specified transplant (heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures) performed at a designated *CME* or *BDCSC* that is 75 miles or more from the recipient's or donor's place of residence are covered, provided the expenses are authorized by the *claims administrator* in advance. The *plan's* maximum payment will not exceed **\$10,000** per transplant for the following travel expenses incurred by the recipient and one companion* or the donor:

- Ground transportation to and from the *CME* or *BDCSC* when the designated *CME* or *BDCSC* is 75 miles or more from the recipient's or donor's place of residence. The maximum benefit is for mileage equal to **one round trip** to the medical care *facility* for the member/patient (companion/caregiver may accompany). Any commuting to and from the medical care *facility* outside of this is not a covered benefit. Mileage is calculated using Google map search and reimbursed per the Internal Revenue Service (IRS) Guidelines for medical-related mileage. Your health plan does not provide assistance for parking fees, tolls, gas, car maintenance, repairs, or the like.
- Coach airfare to and from the *CME* or *BDCSC* when the designated *CME* or *BDCSC* is 300 miles or more from the recipient's or donor's residence. If the distance from the member's/patient's permanent residence and the medical care *facility* is three hundred (300) miles or more, the member/patient may utilize air transportation. However, this is reimbursable at coach level fare.

Your health plan shall assist with the cost of the airfare for the member/patient and the companion/caregiver.

If a member/patient requires air transportation, some of the fees for rental car, buses, taxis/ride share services, or shuttle services are a covered benefit. Assistance for the fees for the rental car, buses, taxis/ride share services, or shuttle services will only be covered for the day of arrival to the medical care *facility* city, and the day of departure from the medical care *facility* city. The fees for these transportation services for the days between arrival and departure date are not a covered benefit.

Mileage/transport to and from the member's/patient's permanent residence, and to and from the member's/patient's home city airport, is a covered benefit. Likewise, mileage/transport to and from the medical care *facility* airport, and to and from the medical care *facility*, is a covered benefit. Charges for baggage are covered, if a receipt is provided.

- Lodging, limited to one room, double occupancy. Lodging incurred directly en route from the member's/patient's permanent residence to the medical care *facility* and back. Your health plan shall provide assistance for the lesser of the actual lodging charges of \$50 per night for the member/patient and for the companion/caregiver, and up to the maximum benefit of \$50 per night.
- Other reasonable expenses. Tobacco, alcohol, drug expenses, and meals are excluded.

*Note: When the *member* recipient is under 18 years of age, this benefit will apply to the recipient and two companions or caregivers.

No co-payments will be required for transplant travel expenses authorized in advance by the *claims administrator*. The *plan* will provide benefits for lodging and ground transportation, up to the current limits set forth in the Internal Revenue Code.

Expense incurred for the following is not covered: interim visits to a medical care *facility* while waiting for the actual transplant procedure; travel expenses for a companion and/or caregiver for a transplant donor; return visits for a transplant donor for treatment of a condition found during the evaluation; rental cars, buses, taxis or shuttle services; and mileage within the city in which the medical transplant *facility* is located.

Details regarding reimbursement can be obtained by calling the member services number on your identification card. A travel reimbursement form will be provided for submission of legible copies of all applicable receipts in order to obtain reimbursement.

Bariatric Surgery. Services and supplies in connection with *medically necessary* surgery for weight loss, only for morbid obesity.

Mental Health or Substance Use Disorder. Covered services shown below for the *medically necessary* treatment of *mental health* or substance use disorder, or to prevent the deterioration of chronic conditions.

1. Inpatient *hospital* services and services from a *residential treatment center* as stated in the "Hospital" provision of this section, for inpatient services and supplies. Coverage for services that are not considered *medically necessary* may be covered if approval is obtained.

2. Partial hospitalization programs, including intensive outpatient programs and visits to a *day treatment center*. Partial hospitalization programs are covered as stated in the “Hospital” provision of this section, for outpatient services and supplies. Coverage for services that are not considered *medically necessary* may be covered if approval is obtained.
2. *Physician* visits during a covered inpatient *stay*.
3. *Physician* visits (including virtual visits) for outpatient psychotherapy or psychological testing for the treatment of *mental health* or substance use disorder. This includes nutritional counseling.
4. Behavioral health treatment for autism spectrum disorders. See the section BENEFITS FOR AUTISM SPECTRUM DISORDERS for a description of the services that are covered.

Treatment for substance use disorder does not include smoking cessation programs, nor treatment for nicotine dependency or tobacco use.

Examples of providers from whom you can receive covered services include the following:

- Psychiatrist,
- Psychologist,
- Registered psychological assistant, as described in the CA Business and Professions Code,
- Psychology trainee or person supervised as set forth in the CA Business and Professions Code,
- Licensed clinical social worker (L.C.S.W.),
- Associate clinical social worker functioning pursuant to the CA Business and Professions Code,
- Mental health clinical nurse specialist,
- Licensed marriage and family therapist (L.M.F.T.),
- Associate marriage and family therapist or marriage and family therapist trainee functioning pursuant to the CA Business and Professions Code,
- Licensed professional counselor (L.P.C.),
- Associate professional clinical counselor or professional clinical counselor trainee functioning pursuant to the CA Business and Professions Code, and
- Qualified Autism Service Providers, Qualified Autism Service Professionals, and Qualified Autism Service Paraprofessionals.

Preventive Care Services. Preventive care includes screenings and other services for adults and children. All recommended preventive services will be covered as required by the Affordable Care Act (ACA) and applicable state law. This means for *preventive care services*, the *calendar year* deductible will not apply to these services or supplies when they are provided by a *participating provider*. No co-payment will apply to these services or supplies when they are provided by a *participating provider*.

Certain benefits for *members* who have current symptoms or a diagnosed health problem may be covered under a different benefit instead of this benefit, if the coverage does not fall within the state or ACA-recommended *preventive care services*.

1. A *physician's* services for routine physical examinations. Routine physical examinations may be scheduled anytime within the *calendar year*, starting January 1 each year.
2. Immunizations prescribed by the examining *physician*. This includes flu immunizations and the following travel vaccinations: Tetanus, Diphtheria and Pertussis (TDP), Polio, MMR (measles, mumps, rubella), Typhoid, Hepatitis A & B, Yellow Fever, Cholera, Rabies, Japanese Encephalitis, and Zoster).
3. Radiology and laboratory services and tests ordered by the examining *physician* in connection with a routine physical examination, excluding any such tests related to an illness or injury. Those radiology and laboratory services and tests related to an illness or injury will be covered as any other medical service available under the terms and conditions of the provision "Diagnostic Services".
4. Health screenings as ordered by the examining *physician* for the following: breast cancer, including BRCA testing if appropriate (in conjunction with genetic counseling and evaluation), cervical cancer, including human papillomavirus (HPV), prostate cancer, colorectal cancer, and other medically accepted cancer screening tests, blood lead levels, high blood pressure, type 2 diabetes mellitus, cholesterol, obesity, and screening for iron deficiency anemia in pregnant women.
5. Human immunodeficiency virus (HIV) testing, regardless of whether the testing is related to a primary diagnosis, including screenings for preexposure prophylaxis (PrEP) for prevention of HIV infection.
6. Counseling and risk factor reduction intervention services for sexually transmitted infections, human immunodeficiency virus (HIV), contraception, tobacco use, smoking cessation and tobacco use-related diseases.
7. Additional preventive care and screening for women provided for in the guidelines supported by the Health Resources and Services Administration, including the following:
 - a. All FDA-approved contraceptive *drugs*, devices and other products for women, including over-the-counter items, if prescribed by a *physician*. This includes contraceptive *drugs*, injectable contraceptives, patches and devices such as diaphragms, intra uterine devices (IUDs) and implants, as well as voluntary sterilization procedures, contraceptive education and counseling. It also includes follow-up services related to the *drugs*, devices, products and procedures, including but not limited to management of side effects, counseling for continued adherence, and device insertion and removal.

At least one form of contraception in each of the methods identified in the FDA's Birth Control Guide will be covered as preventive care under this section. If there is only one form of contraception in a given method, or if a form of contraception is deemed not medically advisable by a *physician*, the prescribed FDA-approved form of contraception will be covered as preventive care under this section.

In order to be covered as preventive care, contraceptive *prescription drugs* must be generic oral contraceptives. Brand name drugs will be covered as *preventive care services* when *medically necessary* according to your attending *doctor*, otherwise they will be covered under your *plan's* prescription drug benefits.

- b. Breast feeding support, supplies, and counseling (including lactation consultation services). One breast pump will be covered per pregnancy under this benefit.
 - c. Gestational diabetes screening.
 - d. Preventive prenatal care.
8. Preventive services for certain high-risk populations as determined by your *physician*, based on clinical expertise.

This list of *preventive care services* is not exhaustive. Preventive tests and screenings with a rating of A or B in the current recommendations of the United States Preventive Services Task Force (USPSTF), or those supported by the Health Resources and Services Administration (HRSA) will be covered with no copayment and will not apply to the *calendar year* deductible.

See the definition of "Preventive Care Services" in the DEFINITIONS section for more information about services that are covered by this *plan* as *preventive care services*.

You may call member services using the number on your ID card for additional information about these services. You may also view the federal government's web sites:

<https://www.healthcare.gov/what-are-my-preventive-care-benefits>

<http://www.ahrq.gov>

<http://www.cdc.gov/vaccines/acip/index.html>

Breast Cancer. Services and supplies provided in connection with the screening for, diagnosis of, and treatment for breast cancer whether due to illness or injury, including:

- 1. Diagnostic mammogram examinations in connection with the treatment of a diagnosed illness or injury. Routine mammograms will be covered initially under the Preventive Care Services benefit.
- 2. Breast cancer (BRCA) testing, if appropriate, in conjunction with genetic counseling and evaluation. When done as a *preventive care service*, BRCA testing will be covered under the Preventive Care Services benefit.
- 3. Mastectomy and lymph node dissection; complications from a mastectomy including lymphedema.
- 4. Reconstructive surgery of both breasts performed to restore and achieve symmetry following a *medically necessary* mastectomy.
- 5. Breast prostheses following a mastectomy (see "Prosthetic Devices").

This coverage is provided according to the terms and conditions of this *plan* that apply to all other medical conditions.

Clinical Trials. Coverage is provided for routine patient costs you receive as a participant in an approved clinical trial. The services must be those that are listed as covered by this *plan* for *members* who are not enrolled in a clinical trial.

Routine patient care costs include items, services, and drugs provided to you in connection with an approved clinical trial that would otherwise be covered by the *plan*.

An “approved clinical trial” is a phase I, phase II, phase III, or phase IV clinical trial that studies the prevention, detection, or treatment of cancer or another life-threatening disease or condition, from which death is likely unless the disease or condition is treated. Coverage is limited to the following clinical trials:

1. Federally funded trials approved or funded by one or more of the following:
 - a. The National Institutes of Health,
 - b. The Centers for Disease Control and Prevention,
 - c. The Agency for Health Care Research and Quality,
 - d. The Centers for Medicare and Medicaid Services,
 - e. A cooperative group or center of any of the four entities listed above or the Department of Defense or the Department of Veterans Affairs,
 - f. A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants, or
 - g. Any of the following departments if the study or investigation has been reviewed and approved through a system of peer review that the Secretary of Health and Human Services determines (1) to be comparable to the system of peer review of investigations and studies used by the National Institutes of Health, and (2) assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review:
 - i. The Department of Veterans Affairs,
 - ii. The Department of Defense, or
 - iii. The Department of Energy.
2. Studies or investigations done as part of an investigational new drug application reviewed by the Food and Drug Administration.
3. Studies or investigations done for drug trials that are exempt from the investigational new drug application.

Participation in the clinical trial must be recommended by your *physician* after determining participation has a meaningful potential to benefit you. All requests for clinical trials services, including requests that are not part of approved clinical trials, will be reviewed according to the *plan's* Clinical Coverage Guidelines, related policies and procedures.

Routine patient costs do not include the costs associated with any of the following:

1. The investigational item, device, or service itself.
2. Any item or service provided solely to satisfy data collection and analysis needs and that is not used in the clinical management of the patient.
3. Any service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
4. Any item, device, or service that is paid for, by the sponsor of the trial or is customarily provided by the sponsor free of charge for any enrollee in the trial.

Note: You will be financially responsible for the costs associated with non-covered services.

Physical Therapy, Physical Medicine and Occupational Therapy. The following services provided by a *physician* under a treatment plan:

1. Physical therapy and physical medicine provided on an outpatient basis for the treatment of illness or injury including the therapeutic use of heat, cold, exercise, electricity, ultra violet radiation, manipulation of the spine, or massage for the purpose of improving circulation, strengthening muscles, or encouraging the return of motion. (This includes many types of care which are customarily provided by chiropractors, physical therapists and osteopaths. It does not include massage therapy services at spas or health clubs.)
2. Occupational therapy provided on an outpatient basis when the ability to perform daily life tasks has been lost or reduced by, or has not been developed due to, illness or injury including programs which are designed to rehabilitate mentally, physically or emotionally handicapped persons. Occupational therapy programs are designed to maximize or improve a patient's upper extremity function, perceptual motor skills and ability to function in daily living activities.

Benefits are not payable for care provided to relieve general soreness or for conditions that may be expected to improve without treatment. For the purposes of this benefit, the term "visit" shall include any visit by a *physician* in that *physician's* office, or in any other outpatient setting, during which one or more of the services covered under this benefit are rendered, even if other services are provided during the same visit.

Biofeedback Therapy.

Injectable Drugs and Implants for Birth Control. Injectable drugs and implants for birth control administered in a *physician's* office if *medically necessary*.

Certain contraceptives are covered under the "Preventive Care Services" benefit. Please see that provision for further details.

Hearing Aid Services. The following hearing aid services are covered when provided by or purchased as a result of a written recommendation from an otolaryngologist or a state-certified audiologist.

1. Audiological evaluations to measure the extent of hearing loss and determine the most appropriate make and model of hearing aid. These evaluations will be covered under *plan* benefits for office visits to *physicians* and limited to one visit per *calendar year*. Additional diagnostic hearing exams will be covered if *medically necessary*.
2. Hearing aids (monaural or binaural) including ear mold(s), bone-anchored hearing aids, the hearing aid instrument, batteries, cords and other ancillary equipment.
3. Visits for fitting, counseling, adjustments and repairs for a one year period after receiving the covered hearing aid.

Benefits will not be provided for charges for a hearing aid which exceeds the specifications prescribed for the correction of hearing loss, or for more than the benefit maximums in the "Medical Benefit Maximums" section.

Outpatient Speech Therapy. Speech Therapy Services are covered when diagnosed and ordered by a Physician and provided by an appropriately licensed speech therapist when rendered in the provider's office or Outpatient department of a Hospital. Prior authorization for Speech Therapy Benefit is not required from the Claims Administrator. Services are provided for the correction of, or clinically significant improvement of, speech abnormalities that are the likely result of a diagnosed and identifiable medical condition, illness, or injury to the nervous system or to the vocal, swallowing, or auditory organs

Acupuncture. The services of a *physician* for acupuncture treatment to treat a disease, illness or injury, including a patient history visit, physical examination, treatment planning and treatment evaluation, electroacupuncture, cupping and moxibustion.

Naturopathy/Homeopathy. Naturopathy/Homeopathy consultations when provided by licensed practitioners in states that recognize Naturopathy/Homeopathy credentials. The plan does not cover diagnostic testing, treatments, medications or therapies related to Naturopathy/Homeopathy services.

Diabetes. Services and supplies provided for the treatment of diabetes, including:

1. The following equipment and supplies:
 - a. Glucose monitors, including monitors designed to assist the visually impaired, and blood glucose testing strips.
 - b. Insulin pumps.
 - c. Pen delivery systems for insulin administration (non-disposable).
 - d. Visual aids (but not eyeglasses) to help the visually impaired to properly dose insulin.
 - e. Podiatric devices, such as therapeutic shoes and shoe inserts, to treat diabetes-related complications.

Items a through d above are covered under your *plan's* benefits for durable medical equipment (see "Durable Medical Equipment"). Item e above is covered under your *plan's* benefits for prosthetic devices (see "Prosthetic Devices").

2. Diabetes education program which:

- a. Is designed to teach a *member* who is a patient and covered members of the patient's family about the disease process and the daily management of diabetic therapy;
- b. Includes self-management training, education, and medical nutrition therapy to enable the *member* to properly use the equipment, supplies, and medications necessary to manage the disease; and
- c. Is supervised by a *physician*.

Diabetes education services are covered under *plan* benefits for office visits to *physicians*.

3. The following items are covered as medical supplies:

- a. Insulin syringes, disposable pen delivery systems for insulin administration. Charges for insulin and other prescriptive medications are not covered. Note: Prescription drug benefits are provided through CVS Caremark.
- b. Testing strips, lancets, and alcohol swabs.

4. Screenings for gestational diabetes are covered under your Preventive Care Services benefit. Please see that provision for further details.

Jaw Joint Disorders. The *plan* will pay for splint therapy or surgical treatment for disorders or conditions directly affecting the upper or lower jawbone or of the joints linking the jawbones and the skull (the temporomandibular joints), including the complex of muscles, nerves and other tissues related to those joints.

Phenylketonuria (PKU). Benefits for the testing and treatment of phenylketonuria (PKU) are paid on the same basis as any other medical condition. Coverage for treatment of PKU shall include those formulas and special food products that are part of a diet prescribed by a licensed *physician* and managed by a health care professional in consultation with a *physician* who specializes in the treatment of metabolic disease and who participates in or is authorized by the *claims administrator*. The diet must be deemed *medically necessary* to avert the development of serious physical or mental disabilities or to promote normal development or function as a consequence of PKU.

The cost of the necessary formulas and special food products is covered only as it exceeds the cost of a normal diet. "Formula" means an enteral product or products for use at home. The formula must be prescribed by a *physician* or nurse practitioner, or ordered by a registered dietician upon referral by a health care provider authorized to prescribe dietary treatments, and is *medically necessary* for the treatment of PKU. Formulas and special food products used in the treatment of PKU that are obtained from a pharmacy are covered as prescription drugs. Formulas and special food products that are not obtained from a pharmacy are covered under this benefit.

"Special food product" means a food product that is all of the following:

- Prescribed by a *physician* or nurse practitioner for the treatment of PKU, and
- Consistent with the recommendations and best practices of qualified *physicians* with expertise in the treatment and care of PKU, and

- Used in place of normal food products, such as grocery store foods, used by the general population.

Note: It does not include a food that is naturally low in protein, but may include a food product that is specially formulated to have less than one gram of protein per serving.

Nutritional Evaluation.

Prescription Drug for Abortion. Mifepristone is covered when provided under the Food and Drug Administration (FDA) approved treatment regimen.

Prescription Drugs Obtained From Or Administered By a Medical Provider. Your *plan* includes benefits for *prescription drugs* when they are administered to you as part of a *physician* visit, services from a *home health agency*, or at an outpatient *hospital*. This includes *drugs* for infusion therapy, chemotherapy, *specialty pharmacy drugs*, blood products and any drug that must be administered by a *physician*. This section describes your benefits when your *physician* orders the medication and administers it to you. Benefits are also available for *prescription drugs* that you receive under your prescription drug benefits, if included.

Benefits for *drugs* that you inject or get at a retail *pharmacy* (i.e., self-administered *drugs*) are not covered under this section. Benefits for those and other covered *drugs* are described under your prescription drug benefits, if included.

Non-duplication of benefits applies to *pharmacy drugs* under this *plan*. When benefits are provided for *pharmacy drugs* under the *plan's* medical benefits, they will not be provided under your prescription drug benefits, if included. Conversely, if benefits are provided for *pharmacy drugs* under your prescription drug benefits, if included, they will not be provided under the *plan's* medical benefits.

Prior Authorization. Certain *specialty pharmacy drugs* require written prior authorization of benefits in order for you to receive them. Prior authorization criteria will be based on medical policy and the pharmacy and therapeutics process. You may need to try a *drug* other than the one originally prescribed if it's determined that it should be clinically effective for you. However, if it's determined through prior authorization that the *drug* originally prescribed is *medically necessary* and is cost effective, you will be provided the *drug* originally requested. If, when you first become a *member*, you are already being treated for a medical condition by a *drug* that has been appropriately prescribed and is considered safe and effective for your medical condition, the *claims administrator* will not require you to try a *drug* other than the one you are currently taking.

In order for you to get a *specialty pharmacy drug* that requires prior authorization, your *physician* must make a request to the *claims administrator* for you to get it. The request may be made by either telephone or facsimile. At the time the request is initiated, specific clinical information will be requested from your *physician* based on medical policy and/or clinical guidelines, based specifically on your diagnosis and/or the *physician's* statement in the request or clinical rationale for the *specialty pharmacy drug*.

If the request is not for urgently needed *drugs*, after the *claims administrator* gets the request from your *physician*:

- Based on your medical condition, as *medically necessary*, the *claims administrator* will review it and decide if they will approve benefits within 5-business days. The *claims administrator* will tell you and your *physician* what has been decided in writing - by fax to your doctor, and by mail, to you.
- If more information is needed to make a decision, the *claims administrator* will tell your *physician* in writing within 5-business days after they get the request what information is missing and why a decision cannot be made. If, for reasons beyond the *claims administrator's* control, they cannot tell your *physician* what information is missing within 5-business days, the *claims administrator* will tell your *physician* that there is a problem as soon as they know that they cannot respond within 5-business days. In any event, the *claims administrator* will tell you and your *physician* that there is a problem by telephone, and in writing by facsimile, to your *physician*, and in writing to you by mail.
- As soon as the *claims administrator* can, based on your medical condition, as *medically necessary*, within 5-business days after they have all the information they need to decide if they will approve benefits, the *claims administrator* will tell you and your *physician* what has been decided in writing - by fax to your *physician* and by mail to you.

Covered Prescription Drugs. To be a covered service, *prescription drugs* must be approved by the Food and Drug Administration (FDA) and, under federal law, require a *prescription*. *Prescription drugs* must be prescribed by a licensed *physician* and *controlled substances* must be prescribed by a licensed *physician* with an active DEA license.

Compound drugs are a covered service when a commercially available dosage form of a *medically necessary* medication is not available, all the ingredients of the *compound drug* are FDA approved in the form in which they are used in the *compound drug*, require a *prescription* to dispense, and are not essentially the same as an FDA approved product from a *drug* manufacturer. Non-FDA approved, non-proprietary, multisource ingredients that are vehicles essential for compound administration may be covered.

Your *plan* also covers certain over-the-counter *drugs* that must be covered under federal law, when prescribed by a *physician*, subject to all terms of this *plan* that apply to those benefits. Please see the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED for additional details.

If you have any questions regarding whether a *specialty pharmacy drug* requires prior authorization, please call the number on the back of your ID card.

If a request for prior authorization of a *specialty pharmacy drug* is denied, you or your prescribing *physician* may appeal the decision by calling the number on the back of your ID card.

Transgender Benefits. This *plan* provides benefits for many of the charges incurred by you or your family member for transgender services (including sex reassignment surgery). Not all charges are eligible and some are only eligible to a limited extent. Transgender surgery must be performed at a *facility* designated and approved by the *claims administrator* for the type of transgender surgery requested and must be authorized prior to being performed. Cryopreservation and storage for sperm and embryo are covered. **Charges for services that are not authorized, or which are provided in a *facility* other than which the *claims administrator* has designated and approved for the transgender benefits requested, will not be considered covered under this *plan*.** See UTILIZATION REVIEW PROGRAM for details.

Benefits follow the Current World Professional Association for Transgender Health (WPATH) Standards of Care.

MEDICAL CARE THAT IS NOT COVERED

No payment will be made under this *plan* for expenses incurred for or in connection with any of the items below. (The titles given to these exclusions and limitations are for ease of reference only; they are not meant to be an integral part of the exclusions and limitations and do not modify their meaning.)

Not Medically Necessary. Services or supplies that are not *medically necessary*, as defined. Additionally, a second visit in the same day with the same diagnosis may be denied due to frequency rules.

Experimental or Investigative. Any *experimental* or *investigative* procedure or medication. But, if you are denied benefits because it is determined that the requested treatment is *experimental* or *investigative*, you may request that the denial be reviewed.

Crime or Nuclear Energy. Conditions that result from: (1) your commission of or attempt to commit a felony, as long as any injuries are not a result of a medical condition or an act of domestic violence; or (2) any release of nuclear energy, whether or not the result of war, when government funds are available for treatment of illness or injury arising from such release of nuclear energy.

Uninsured. Services received before your *effective date* or after your coverage ends.

Non-Approved Facility. Services from a *physician* that does not meet the definition of *facility*.

Non-Licensed Providers. Treatment or services rendered by non-licensed health care providers and treatment or services for which the provider of services is not required to be licensed. This includes treatment or services from a non-licensed provider under the supervision of a licensed *physician*, except as specifically provided or arranged by the *claims administrator*. This exclusion does not apply to the *medically necessary* treatment of autism spectrum disorders, to the extent stated in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.

Waived Cost-Shares Non-Participating Provider. For any service for which you are responsible under the terms of this *plan* to pay a co-payment or deductible, and the co-payment or deductible is waived by a *non-participating provider*.

Excess Amounts. Any amounts in excess of *maximum allowed amounts*, except for *surprise billing claims* as outlined in the “Consolidated Appropriations Act of 2021 Notice” in the front of this Booklet, or any Medical Benefit Maximum.

Work-Related. Work-related conditions if benefits are recovered or can be recovered, either by adjudication, settlement or otherwise, under any workers' compensation, employer's liability law or occupational disease law, even if you do not claim those benefits.

Government Treatment. Any services actually given to you by a local, state, or federal government agency, or by a public school system or school district, except when payment under this *plan* is expressly required by federal or state law. The *plan* will not cover payment for these services if you are not required to pay for them or they are given to you for free. You are not required to seek any such services prior to receiving *medically necessary* health care services that are covered by this *plan*.

Medicare. For which benefits are payable under Medicare Parts A and/or B, or would have been payable if you had applied for Parts A and/or B, except as listed in this booklet or as required by federal law, as described in the section titled “BENEFITS FOR MEDICARE ELIGIBLE MEMBERS: Coordinating Benefits With Medicare”. If you do not enroll in Medicare Part B, benefits will be calculated as if you had enrolled. You should sign up for Medicare Part B as soon as possible to avoid large out of pocket costs.

Family Members. Services prescribed, ordered, referred by or given by a member of your immediate family, including your *spouse*, *child*, brother, sister, parent, in-law or self.

Voluntary Payment. Services for which you are not legally obligated to pay. Services for which you are not charged. Services for which no charge is made in the absence of insurance coverage, except services received at a non-governmental charitable research *hospital*. Such a *hospital* must meet the following guidelines:

1. It must be internationally known as being devoted mainly to medical research;
2. At least **10%** of its yearly budget must be spent on research not directly related to patient care;
3. At least one-third of its gross income must come from donations or grants other than gifts or payments for patient care;
4. It must accept patients who are unable to pay; and
5. Two-thirds of its patients must have conditions directly related to the *hospital's* research.

Not Specifically Listed. Services not specifically listed in this *plan* as covered services.

Private Contracts. Services or supplies provided pursuant to a private contract between the *member* and a provider, for which reimbursement under the Medicare program is prohibited, as specified in Section 1802 (42 U.S.C. 1395a) of Title XVIII of the Social Security Act.

Inpatient Diagnostic Tests. Inpatient room and board charges in connection with a *hospital stay* primarily for diagnostic tests which could have been performed safely on an outpatient basis.

Wilderness. Wilderness or other outdoor camps and/or programs.

Dental Devices for Snoring. Oral appliances for snoring.

Growth Hormone Treatment. Any treatment, device, *drug*, service or supply (including surgical procedures, devices to stimulate growth and growth hormones), solely to increase or decrease height or alter the rate of growth.

Orthodontia. Braces and other orthodontic appliances or services, except as specifically stated in the “Reconstructive Surgery” or “Dental Care” provisions of MEDICAL CARE THAT IS COVERED.

Dental Services or Supplies. For dental treatment, regardless of origin or cause, except as specified below. “Dental treatment” includes but is not limited to preventative care and fluoride treatments; dental x rays, supplies, appliances, dental implants and all associated expenses; diagnosis and treatment related to the teeth, jawbones or gums, including but not limited to:

- Extraction, restoration, and replacement of teeth;
- Services to improve dental clinical outcomes.

This exclusion does not apply to the following:

- Services which are required by law to cover;
- Services specified as covered in this booklet;
- Dental services to prepare the mouth for radiation therapy to treat head and/or neck cancer.

Hearing Aids or Tests. Hearing aids, except as specifically stated in the "Hearing Aid Services" provision of MEDICAL CARE THAT IS COVERED. Routine hearing tests, except as specifically provided under the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED.

Optometric Services or Supplies. Optometric services, eye exercises including orthoptics. Routine eye exams and routine eye refractions, except when provided as part of a routine exam under the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED or when provided for a child 5 years old or younger. Eyeglasses or contact lenses, except as specifically stated in the "Prosthetic Devices" provision of MEDICAL CARE THAT IS COVERED.

Outpatient Occupational Therapy. Outpatient occupational therapy, except by a *home health agency*, *hospice* or *home infusion therapy provider* as specifically stated in the "Home Health Care", "Hospice Care", "Home Infusion Therapy", or "Physical Therapy, Physical Medicine And Occupational Therapy" provisions of MEDICAL CARE THAT IS COVERED. .

Scalp hair prostheses. Scalp hair prostheses, including wigs or any form of hair replacement, except as specifically provided under the "Prosthetic Devices" provision of MEDICAL CARE THAT IS COVERED.

Cosmetic Surgery. Cosmetic surgery or other services performed solely for beautification or to alter or reshape normal (including aged) structures or tissues of the body to improve appearance. This exclusion does not apply to reconstructive surgery (that is, surgery performed to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomatology or to create a normal appearance), including surgery performed to restore symmetry following mastectomy. Cosmetic surgery does not become reconstructive surgery because of psychological or psychiatric reasons. This exclusion does not apply to transgender surgery.

Varicose Vein Treatment. Treatment of varicose veins or telangiectatic dermal veins (spider veins) by any method (including sclerotherapy or other surgeries) when services are rendered for cosmetic purposes.

Commercial Weight Loss Programs. Weight loss programs, whether or not they are pursued under medical or physician supervision, unless specifically listed as covered in this *plan*.

This exclusion includes, but is not limited to, commercial weight loss programs (Weight Watchers, Jenny Craig, LA Weight Loss) and fasting programs.

This exclusion does not apply to *medically necessary* treatments for morbid obesity or dietary evaluations and counseling, and behavioral modification programs for the treatment of anorexia nervosa or bulimia nervosa. Surgical treatment for morbid obesity will be covered only when criteria is met as recommended by the *claims administrator's* Medical Policy.

Sterilization Reversal. Reversal of an elective sterilization.

Infertility Treatment. Any services or supplies furnished in connection with the diagnosis and treatment of *infertility*, including, but not limited to, diagnostic tests, medication, surgery, artificial insemination, in vitro fertilization, sterilization reversal, and gamete intrafallopian transfer.

Note: Infertility coverage is provided through Progyny. These services are referenced in the Progyny Benefits Booklet found on the Important Benefits Documents page.

Treatment for underlying medical conditions, male infertility, acupuncture, and procreative services are covered through Anthem.

In-vitro Fertilization. Services or supplies for in-vitro fertilization (IVF) for purposes of pre-implant genetic diagnosis (PGD) of embryos, regardless of whether they are provided in connection with infertility treatment.

Surrogate Mother Services. For any services or supplies provided to a person not covered under the plan in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).

Foot Orthotics. Foot orthotics, orthopedic shoes or footwear or support items except as specifically covered under the "Prosthetics" provision of MEDICAL CARE THAT IS COVERED.

Fraud, Waste, Abuse, and Other Inappropriate Billing. Services from a non-participating provider that are determined to be not payable as a result of fraud, waste, abuse or inappropriate billing activities. This includes a non-participating provider's failure to submit medical records required to determine the appropriateness of a claim.

Air Conditioners. Air purifiers, air conditioners, or humidifiers.

Custodial Care or Rest Cures. Inpatient room and board charges in connection with a *hospital stay* primarily for environmental change or physical therapy. *Custodial care* or rest cures, except as specifically provided under the "Hospice Care" or "Home Infusion Therapy" provisions of MEDICAL CARE THAT IS COVERED. Services provided by a rest home, a home for the aged, a nursing home or any similar *facility*. Services provided by a *skilled nursing facility*, except as specifically stated in the "Skilled Nursing Facility" provision of MEDICAL CARE THAT IS COVERED.

Health Club Memberships. Health club memberships, exercise equipment, charges from a physical fitness instructor or personal trainer, or any other charges for activities, equipment or facilities used for developing or maintaining physical fitness, even if ordered by a *physician*. This exclusion also applies to health spas.

Hospital Services Billed Separately. Services rendered by *hospital resident physicians* or interns that are billed separately. This includes separately billed charges for services rendered by employees of *hospitals*, labs or other institutions, and charges included in other duplicate billings.

Hyperhidrosis Treatment. Medical and surgical treatment of excessive sweating (hyperhidrosis).

Personal Items. Any supplies for comfort, hygiene or beautification.

Educational or Academic Services. Services, supplies or room and board for teaching, vocational, or self-training purposes. This includes, but is not limited to boarding schools and/or the room and board and educational components of a residential program where the primary focus of the program is educational in nature rather than treatment based.

This exclusion does not apply to the *medically necessary* treatment of autism spectrum disorders, to the extent stated in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.

Food or Dietary Supplements. Nutritional and/or dietary supplements and counseling, except as provided in this *plan* or as required by law. This exclusion includes, but is not limited to, those nutritional formulas and dietary supplements that can be purchased over the counter, which by law do not require either a written prescription or dispensing by a licensed pharmacist.

Mobile/Wearable Devices. Consumer wearable / personal mobile devices such as a smart phone, smart watch, or other personal tracking devices), including any software or applications.

Telephone, Facsimile Machine, and Electronic Mail Consultations. Consultations provided using telephone, facsimile machine, or electronic mail.

Routine Physicals and Immunizations. Physical exams and immunizations required for travel, enrollment in any insurance program, as a condition of employment, for licensing, sports programs, or for other purposes, which are not required by law under the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED.

Acupuncture. Acupuncture treatment except as specifically stated in the "Acupuncture" provision of MEDICAL CARE THAT IS COVERED. Acupressure, or massage to control pain, treat illness or promote health by applying pressure to one or more specific areas of the body based on dermatomes or acupuncture points.

Eye Surgery for Refractive Defects. Any eye surgery solely or primarily for the purpose of correcting refractive defects of the eye such as nearsightedness (myopia) and/or astigmatism. Contact lenses and eyeglasses required as a result of this surgery.

Drugs Given to you by a Medical Provider. The following exclusions apply to *drugs* you receive from a medical provider:

- **Delivery Charges.** Charges for the delivery of *prescription drugs*.
- **Clinically-Equivalent Alternatives.** Certain *prescription drugs* may not be covered if you could use a clinically equivalent *drug*, unless required by law. "Clinically equivalent" means *drugs* that for most *members*, will give you similar results for a disease or condition. If you have questions about whether a certain *drug* is covered and which *drugs* fall into this group, please call the number on the back of your ID card, or visit the *claims administrator's* website at www.anthem.com.

If you or your *physician* believes you need to use a different *prescription drug*, please have your *physician* or pharmacist get in touch with us. We will cover the other *prescription drug* only if we agree that it is *medically necessary* and appropriate over the clinically equivalent *drug*. We will review benefits for the *prescription drug* from time to time to make sure the *drug* is still *medically necessary*.

- **Compound Drugs.** *Compound drugs* unless all of the ingredients are FDA-approved in the form in which they are used in the *compound drug*, require a prescription to dispense, and the *compound drug* is not essentially the same as an FDA-approved product from a *drug* manufacturer. Exceptions to non-FDA approved compound ingredients may include multi-source, non-proprietary vehicles and/or pharmaceutical adjuvants.
- **Drugs Contrary to Approved Medical and Professional Standards.** *Drugs* given to you or prescribed in a way that is against approved medical and professional standards of practice.
- **Drugs Over Quantity or Age Limits.** *Drugs* which are over any quantity or age limits set by the *plan* or us.
- **Drugs Over the Quantity Prescribed or Refills After One Year.** *Drugs* in amounts over the quantity prescribed or for any refill given more than one year after the date of the original *prescription*.
- **Drugs Prescribed by Providers Lacking Qualifications, Registrations and/or Certifications.** *Prescription drugs* prescribed by a provider that does not have the necessary qualifications, registrations and/or certifications as determined by us.
- **Drugs That Do Not Need a Prescription.** *Drugs* that do not need a *prescription* by federal law (including *drugs* that need a *prescription* by state law, but not by federal law), except for injectable insulin or other *drugs* provided in the "Preventive Care Services" benefit or as specified in the "Preventive Prescription Drugs and Other Items" covered under your prescription drug benefits. This exclusion does not apply to over-the-counter *drugs* that we must cover under state law, or federal law when recommended by the U.S. Preventive Services Task Force, and prescribed by a *physician*.
- **Lost or Stolen Drugs.** Refills of lost or stolen *drugs*.
- **Non-Approved Drugs.** *Drugs* not approved by the FDA.

Physical Therapy or Physical Medicine. Services of a *physician* for physical therapy or physical medicine, except when provided during a covered inpatient confinement, or as specifically stated in the "Home Health Care", "Hospice Care", "Home Infusion Therapy" or "Physical Therapy, Physical Medicine and Occupational Therapy" provisions of MEDICAL CARE THAT IS COVERED.

Outpatient Prescription Drugs and Medications. Outpatient *prescription drugs* or medications and insulin, except as specifically stated in the "Infusion Therapy" or "Home Infusion Therapy", "Prescription Drug for Abortion", or "Preventive Care Services" provisions of MEDICAL CARE THAT IS COVERED. Non-prescription, over-the-counter patent or proprietary drugs or medicines, except as specifically stated in this *benefit booklet*. Cosmetics, health or beauty aids. However, health aids that are *medically necessary* and meet the requirements for durable medical equipment as specified under the "Durable Medical Equipment" provision of MEDICAL CARE THAT IS COVERED, are covered, subject to all terms of this *plan* that apply to that benefit.

Note: Prescription drug benefits are provided through CVS Caremark. These services are referenced in the Anthem Summary of Coverage document found on the Important Benefits Documents page.

Specialty drugs. *Specialty drugs* that must be obtained from the specialty drug program, but, which are obtained from a retail *pharmacy* are not covered by this *plan*. **You will have to pay the full cost of the specialty drugs you get from a retail pharmacy that you should have obtained from the specialty drug program.**

Contraceptive Devices. Contraceptive devices prescribed for birth control except as specifically stated in the “Injectable Drugs and Implants for Birth Control” provision in MEDICAL CARE THAT IS COVERED.

Private Duty Nursing. Private duty nursing services given in a *hospital* or *skilled nursing facility*. Private duty nursing services are a covered service only when given as part of the “Home Health Care” benefit.

Lifestyle Programs. Programs to alter one’s lifestyle which may include but are not limited to diet, exercise, imagery or nutrition. This exclusion will not apply to cardiac rehabilitation programs approved by the *claims administrator*.

Clinical Trials. Any investigational *drugs* or devices, non-health services required for you to receive the treatment, the costs of managing the research, or costs that would not be a covered service under this *plan* for non-Investigative treatments, except as specifically stated in the “Clinical Trials” provision under the section MEDICAL CARE THAT IS COVERED.

BENEFITS FOR AUTISM SPECTRUM DISORDERS

This *plan* provides coverage for behavioral health treatment for autism spectrum disorders. This coverage is provided according to the terms and conditions of this *plan* that apply to all other medical conditions, except as specifically stated in this section.

Behavioral health treatment services covered under this *plan* are subject to the same deductibles, coinsurance, and copayments that apply to services provided for other covered medical conditions. Services provided by Qualified Autism Service Providers, Qualified Autism Service Professionals, and Qualified Autism Service Paraprofessionals (see the “Definitions” below) will be covered under *plan* benefits for office visits to *physicians*, whether services are provided in the provider’s office or in the patient’s home. Services provided in a *facility*, such as the outpatient department of a *hospital*, will be covered under *plan* benefits that apply to such facilities.

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in this section, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this “Definitions” provision.

DEFINITIONS

Autism Spectrum Disorders, as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, includes Autistic Disorder, Rett’s Disorder, Childhood Disintegrative Disorder, Asperger’s Disorder, and Autism Spectrum Disorders Not Otherwise Specified.

Applied Behavior Analysis (ABA) means the design, implementation, and evaluation of systematic instructional and environmental modifications to promote positive social behaviors and reduce or ameliorate behaviors which interfere with learning and social interaction.

Intensive Behavioral Intervention means any form of Applied Behavioral Analysis that is comprehensive, designed to address all domains of functioning, and provided in multiple settings depending on the individual's needs and progress. Interventions can be delivered in a one-to-one ratio or small group format, as appropriate.

Qualified Autism Service Provider is either of the following:

- A person, entity, or group that is certified by a national entity, such as the Behavior Analyst Certification Board, that is accredited by the National Commission for Certifying Agencies, and who designs, supervises, or provides treatment for autism spectrum disorders, provided the services are within the experience and competence of the person, entity, or group that is nationally certified; or
- A person licensed as a physician and surgeon (M.D. or D.O.), physical therapist, occupational therapist, psychologist, marriage and family therapist, educational psychologist, clinical social worker, professional clinical counselor, speech-language pathologist, or audiologist pursuant to state law, who designs, supervises, or provides treatment for autism spectrum disorders, provided the services are within the experience and competence of the licensee.

The network of *participating providers* may be limited to licensed Qualified Autism Service Providers who contract with a Blue Cross and/or Blue Shield Plan and who may supervise and employ Qualified Autism Service Professionals or Qualified Autism Service Paraprofessionals who provide and administer Behavioral Health Treatment.

Qualified Autism Service Professional is a provider who meets all of the following requirements:

- Provides behavioral health treatment,
- Is employed and supervised by a Qualified Autism Service Provider,
- Provides treatment according to a treatment plan developed and approved by the Qualified Autism Service Provider,
- Is a behavioral service provider approved as a vendor by a California regional center to provide services as an associate behavior analyst, behavior analyst, behavior management assistant, behavior management consultant, or behavior management program as defined in state regulation or who meets equivalent criteria in the state in which he or she practices if not providing services in California, and
- Has training and experience in providing services for autism spectrum disorders pursuant to applicable state law.

Qualified Autism Service Paraprofessional is an unlicensed and uncertified individual who meets all of the following requirements:

- Is employed and supervised by a Qualified Autism Service Provider,
- Provides treatment and implements services pursuant to a treatment plan developed and approved by the Qualified Autism Service Provider,

- Meets the criteria set forth in any applicable state regulations adopted pursuant to state law concerning the use of paraprofessionals in group practice provider behavioral intervention services, and
- Has adequate education, training, and experience, as certified by a Qualified Autism Service Provider.

BEHAVIORAL HEALTH TREATMENT SERVICES COVERED

The behavioral health treatment services covered by this *plan* for the treatment of autism spectrum disorders are limited to those professional services and treatment programs, including Applied Behavior Analysis and evidence-based behavior intervention programs, that develop or restore, to the maximum extent practicable, the functioning of an individual with autism spectrum disorders and that meet all of the following requirements:

- The treatment must be prescribed by a licensed physician and surgeon (an M.D. or D.O.) or developed by a licensed clinical psychologist,
- The treatment must be provided under a treatment plan prescribed by a Qualified Autism Service Provider and administered by one of the following: (a) Qualified Autism Service Provider, (b) Qualified Autism Service Professional supervised and employed by the Qualified Autism Service Provider, or (c) Qualified Autism Service Paraprofessional supervised and employed by a Qualified Autism Service provider, and
- The treatment plan must have measurable goals over a specific timeline and be developed and approved by the Qualified Autism Service Provider for the specific patient being treated. The treatment plan must be reviewed no less than once every six months by the Qualified Autism Service Provider and modified whenever appropriate, and must be consistent with applicable state law that imposes requirements on the provision of Applied Behavioral Analysis services and Intensive Behavioral Intervention services to certain persons pursuant to which the Qualified Autism Service Provider does all of the following:
 - ◆ Describes the patient's behavioral health impairments to be treated,
 - ◆ Designs an intervention plan that includes the service type, number of hours, and parent participation needed to achieve the intervention plan's goal and objectives, and the frequency at which the patient's progress is evaluated and reported,
 - ◆ Provides intervention plans that utilize evidence-based practices, with demonstrated clinical efficacy in treating autism spectrum disorders,
 - ◆ Discontinues Intensive Behavioral Intervention services when the treatment goals and objectives are achieved or no longer appropriate, and
 - ◆ The treatment plan is not used for purposes of providing or for the reimbursement of respite care, day care, or educational services, and is not used to reimburse a parent for participating in the treatment program. No coverage will be provided for any of these services or costs. The treatment plan must be made available to the *claims administrator* upon request.

COORDINATION OF BENEFITS

If you are covered by more than one group medical plan, your benefits under This Plan will be coordinated with the benefits of those Other Plans, as shown below. These coordination provisions apply separately to each *member* and per *calendar year*. Any coverage you have for medical or dental benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Definitions" provision.

Allowable Expense is the *plan's maximum allowed amount*. If the *claims administrator's* liability is greater than what the *plan* would have paid as primary, the *claims administrator* will pay what would have been paid if the *plan* were primary. However, if the *claims administrator's* liability is less than what the *plan* would have paid as the primary plan, then the lesser of the two amounts would be paid. An expense that is not covered by any plan covering the person for whom a claim is made is not an Allowable Expense.

The following are not Allowable Expense:

1. Use of a private hospital room is not an Allowable Expense unless the patient's stay in a private *hospital* room is *medically necessary* in terms of generally accepted medical practice, or one of the plans routinely provides coverage for *hospital* private rooms.
2. If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.
3. If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.
4. If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.
5. The amount of any benefit reduction by the Principal Plan because you did not comply with the plan's provisions is not an Allowable Expense. Examples of these types of provisions include second surgical opinions, utilization review requirements, and network provider arrangements.
6. If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan's deductible.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;

2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trustee plans, union benefit organization plans, employer organization plans, employee benefit organization plans or self-insured employee benefit plans.
4. Medicare. This does not include Medicare when, by law, its benefits are secondary to those of any private insurance program or other non-governmental program, including a self-insured program.
5. Any other benefit option that covers you, even if such option might be considered, along with this plan, as a single "plan" for purposes of the Employee Retirement Income Security Act of 1974 (ERISA). For example, where two individuals who are employed by the same employer each elect a separate benefit option that covers such individual and the other individual, each individual has a Principal Plan and an Other Plan for purposes of this Coordination of Benefits provision, even though both benefit options may be considered one "plan" for ERISA purposes.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of this *plan* which provides benefits subject to this provision.

EFFECT ON BENEFITS

This provision will apply in determining a person's benefits under This Plan for any *calendar year* if the benefits under This Plan and any Other Plans, exceed the Allowable Expenses for that *calendar year*.

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
3. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.
4. **gHIP As Secondary Coverage.** Because this high-deductible health plan portion of gHIP is intended to meet certain federal tax code and Internal Revenue Service (IRS) requirements allowing you to make tax-free contributions to the health savings account portion of gHIP, including the requirement that this plan maintain its own, separate "high-deductible," please note that the Coordination of Benefit rules may work differently for this plan than in other situations. Specifically, the Coordination of Benefit rules may be applied in a manner that maintains the separate and independent "high deductible" of this plan and preserves your eligibility to make tax-free contributions to the health savings account portion of gHIP, in the claims administrator's sole discretion.

Example: If two married individuals, who work for the same employer, each separately elect family coverage under this plan (i.e., the family has two high-deductible health plans, each of which covers (i)

the individual, as participant, and (ii) her/his spouse, as dependent), then each spouse has a Principal Plan and an Other Plan for purposes of this Coordination of Benefits provision. No portion of the amount that has been applied to the deductible of a Principal Plan may be credited again to the Other Plan's deductible.

Assume G1 and G2 are married. They both work for the same employer. During open enrollment, they each elect family coverage under this plan. On January 15th, G1 incurs a \$400 covered expense. Neither G1 nor G2 have incurred any prior expenses under this plan during the plan year. While the \$400 maximum allowable amount will be applied to the deductible of G1's Principal Plan, it will not be applied to G1's Other Plan (i.e., G2's Principal Plan).

This example is illustrative only and may not represent the only set of facts that demonstrate the operation of the general Coordination of Benefits rule described above. For example, this Coordination of Benefits rule would apply the same way even if G1 and G2 did not work for the same employer.

ORDER OF BENEFITS DETERMINATION

The first of the following rules which applies will determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision. This would include Medicare in all cases, except when the law requires that This Plan pays before Medicare.
2. A plan which covers you as a *subscriber* pays before a plan which covers you as a dependent. But, if you are retired and eligible for Medicare, Medicare pays (a) after the plan which covers you as a dependent of an active employee, but (b) before the plan which covers you as a retired employee.

For example: You are covered as a retired employee under this plan and entitled to Medicare (Medicare would normally pay first). You are also covered as a dependent of an active employee under another plan (in which case Medicare would pay second). In this situation, the plan which covers you as a dependent will pay first, Medicare will pay second, and the plan which covers you as a retired employee would pay last.

3. For a dependent *child* covered under plans of two parents, the plan of the parent whose birthday falls earlier in the *calendar year* pays before the plan of the parent whose birthday falls later in the *calendar year*. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

Exception to rule 3: For a dependent *child* of parents who are divorced or separated, the following rules will be used in place of Rule 3:

- a. If the parent with custody of that *child* for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that *child* as a dependent pays first.
- b. If the parent with custody of that *child* for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:
 - i. The plan which covers that *child* as a dependent of the parent with custody.

- ii. The plan which covers that *child* as a dependent of the stepparent (married to the parent with custody).
 - iii. The plan which covers that *child* as a dependent of the parent without custody.
 - iv. The plan which covers that *child* as a dependent of the stepparent (married to the parent without custody).
- c. Regardless of a and b above, if there is a court decree which establishes a parent's financial responsibility for that *child's* health care coverage, a plan which covers that *child* as a dependent of that parent pays first.
- 4. The plan covering you as a laid-off or retired employee or as a dependent of a laid-off or retired employee pays after a plan covering you as other than a laid-off or retired employee or the dependent of such a person. But if either plan does not have a provision regarding laid-off or retired employees, provision 6 applies.
- 5. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays after a plan covering you as an employee, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the Other Plan do not agree under these circumstances with the Order of Benefit Determination provisions of This Plan, this rule will not apply.
- 6. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same effective date. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility For Timely Notice. We are not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and our liability reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy our liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, we have the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS

Any benefits provided under both this *plan* and Medicare will be provided according to Medicare Secondary Payer legislation, regulations, and Centers for Medicare & Medicaid Services guidelines, subject to federal court decisions. Federal law controls whenever there is a conflict among state law, terms of this *plan*, and federal law.

If you are entitled to Medicare and covered under this *plan* as an active employee, or as a dependent of an active employee, this *plan* will generally pay first and Medicare will pay second, unless:

1. You are receiving treatment for end-stage renal disease following the first 30 months you are entitled to end-stage renal disease benefits under Medicare; or
2. You are entitled to Medicare benefits as a disabled person, unless you have a current employment status as determined by Medicare rules through a group of 100 or more employees (according to federal COBRA legislation).

In cases where either of the above exceptions 1 or 2 apply, our payment will be determined according to the provisions in the section entitled COORDINATION OF BENEFITS and the provision “Coordinating Benefits With Medicare”, below.

Coordinating Benefits With Medicare. In general, when Medicare is the primary payor according to federal law, Medicare must provide benefits first to any services that are covered both by Medicare and under this *plan*. For any given claim, the combination of benefits provided by Medicare and under this *plan* will not exceed the *maximum allowed amount* for the covered services.

Except when federal law requires us to be the primary payer, the benefits under this *plan* for *members* age 65 and older, or for *members* who are otherwise eligible for Medicare (such as due to a disability or receiving treatment for end-stage renal disease), will not duplicate any benefit for which *members* are entitled under Medicare, including Medicare Part B. Where Medicare is the responsible primary payer, all sums payable by Medicare for services provided to you shall be reimbursed by or on your behalf to the *claims administrator*, to the extent the *claims administrator* has made primary payment for such services. If you do not enroll in Medicare Part B when you are eligible, you may have large out-of-pocket costs. Please refer to [Medicare.gov](https://www.medicare.gov) for more details on when you should enroll, and when you are allowed to delay enrollment without penalties.

UTILIZATION REVIEW PROGRAM

Your *plan* includes the process of utilization review to decide when services are *medically necessary* or *experimental / investigative* as those terms are defined in this booklet. Utilization review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed.

REVIEWING WHERE SERVICES ARE PROVIDED

A service must be *medically necessary* to be a covered service. When level of care, setting or place of service is reviewed, services that can be safely given to you in a lower level of care or lower cost setting / place of care, will not be *medically necessary* if they are given in a higher level of care, or higher cost setting

/ place of care. This means that a request for a service may be denied because it is not *medically necessary* for the service to be provided where it is being requested. When this happens the service can be requested again in another place and will be reviewed again for medical necessity. At times a different provider or *facility* may need to be used in order for the service to be considered *medically necessary*. Examples include, but are not limited to:

- A service may be denied on an inpatient basis at a *hospital* but may be approvable if provided on an outpatient basis at a *hospital*.
- A service may be denied on an outpatient basis at a *hospital* but may be approvable at a free standing imaging center, infusion center, ambulatory surgery center, or in a *physician's* office.
- A service may be denied at a *skilled nursing facility* but may be approvable in a home setting.

Utilization review criteria will be based on many sources including medical policy and clinical guidelines. The *claims administrator* may decide that a treatment that was asked for is not *medically necessary* if a clinically equivalent treatment that is more cost-effective is available and appropriate. "Clinically equivalent" means treatments that for most *members*, will give you similar results for a disease or condition.

If you have any questions about the utilization review process, the medical policies or clinical guidelines, you may call the Member Services phone number on the back of your Identification Card. **You may also contact the pre-authorization number on the back of your card. They are open M-F 7:30am – 5pm PST.**

Coverage for or payment of the service or treatment reviewed is not guaranteed. For benefits to be covered, on the date you get service:

1. You must be eligible for benefits;
2. The service or supply must be a covered service under your *plan*;
3. The service cannot be subject to an exclusion under your *plan* (please see MEDICAL CARE THAT IS NOT COVERED for more information); and
4. You must not have exceeded any applicable limits under your *plan*.

TYPES OF REVIEWS

- **Pre-service Review** – A review of a service, treatment or admission for a benefit coverage determination which is done before the service or treatment begins or admission date.

- **Precertification** – A required pre-service review for a benefit coverage determination for a service or treatment. Certain services require precertification in order for you to get benefits. The benefit coverage review will include a review to decide whether the service meets the definition of medical necessity or is *experimental / investigative* as those terms are defined in this booklet.

For admissions following an *emergency*, you, your authorized representative or *physician* must tell the *claims administrator* within 24 hours of the admission or as soon as possible within a reasonable period of time.

For childbirth admissions, precertification is not needed for the first 48 hours for a vaginal delivery or 96 hours for a cesarean section. Admissions longer than 48/96 hours require precertification.

For inpatient *hospital* stays for mastectomy surgery, including the length of *hospital* stays associated with mastectomy, precertification is not needed.

- **Continued Stay / Concurrent Review** – A utilization review of a service, treatment or admission for a benefit coverage determination which must be done during an ongoing stay in a *facility* or course of treatment.

- Both pre-service and continued stay / concurrent reviews may be considered urgent when, in the view of the treating provider or any *physician* with knowledge of your medical condition, without such care or treatment, your life or health or your ability to regain maximum function could be seriously threatened or you could be subjected to severe pain that cannot be adequately managed without such care or treatment. Urgent reviews are conducted under a shorter timeframe than standard reviews.

- **Post-service Review** – A review of a service, treatment or admission for a benefit coverage that is conducted after the service has been provided. Post-service reviews are performed when a service, treatment or admission did not need a precertification, or when a needed precertification was not obtained. Post-service reviews are done for a service, treatment or admission in which the *plan* has a related clinical coverage guideline and are typically initiated by the *claims administrator*.

Services for which precertification is required (i.e., services that need to be reviewed by the *claims administrator* to determine whether they are *medically necessary*) include, but are not limited to, the following:

- All inpatient *hospital* admissions.
- Inpatient services provided by Other Health Care Facilities, including *skilled nursing facilities*, rehabilitation hospitals and sub-acute facilities.
- Organ and tissue transplants, peripheral stem cell replacement and similar procedures.
- Plastic and reconstructive surgeries.

- Lumbar spinal surgeries.
- Transgender benefit services and related covered services will be provided as follows:
 - i. You meet the Conditions for Coverage listed for the Transgender Benefits;
 - ii. The services are *medically necessary* and appropriate; and
 - iii. The *physicians* on the surgical team and the *facility* in which the surgery is to take place are approved for the transgender surgery requested.
- Occupational Therapy with a diagnosis of developmental delay
- All interventional spine pain, elective hip, knee, and shoulder arthroscopic/open sports medicine, and outpatient spine surgery procedures must be authorized in advance.

For a list of current procedures requiring precertification, please call the toll-free number for Member Services printed on your Identification Card.

If you proceed with any services that have been determined to be not *medically necessary* and appropriate at any stage of the utilization review process, benefits will not be provided for those services.

EFFECT ON BENEFITS

In order for the full benefits of this *plan* to be payable, the following criteria must be met:

1. The appropriate utilization reviews must be performed in accordance with this *plan*. When pre-service review is not performed as required for an inpatient *hospital* or *residential treatment center* admission, the benefits to which you would have been otherwise entitled will be subject to the Non-Certification Penalty shown in the SUMMARY OF BENEFITS.
2. Services that are not reviewed prior to or during service delivery will be reviewed retrospectively when the bill is submitted for benefit payment. If that review results in the determination that part or all of the services were not *medically necessary* and appropriate, benefits will not be provided for those services.

WHO IS RESPONSIBLE FOR PRECERTIFICATION?

Typically, *participating providers* know which services need precertification and will get any precertification when needed. Your *physician* and other *participating providers* have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering provider, *hospital* or attending *physician* (“requesting provider”) will get in touch with the *claims administrator* to ask for a precertification. However, you may request a precertification or you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older. The table below outlines who is responsible for precertification and under what circumstances.

Provider Network Status	Responsibility to Get Precertification	Comments
<i>Participating Providers</i>	Provider	<ul style="list-style-type: none"> The provider must get precertification when required.
<i>Non-Participating Providers</i>	<i>Member</i>	<ul style="list-style-type: none"> <i>Member</i> must get precertification when required. (Call Member Services.) <i>Member</i> may be financially responsible for charges or costs related to the service and/or setting in whole or in part if the service and/or setting is found to not be <i>medically necessary</i>.
Blue Card Provider	<i>Member</i> (Except for Inpatient Admissions)	<ul style="list-style-type: none"> <i>Member</i> must get precertification when required. (Call Member Services.) <i>Member</i> may be financially responsible for charges or costs related to the service and/or setting in whole or in part

Provider Network Status	Responsibility to Get Precertification	Comments
		<p>if the service and or setting is found to not be <i>medically necessary</i>.</p> <ul style="list-style-type: none"> • Blue Card Providers must obtain precertification for all Inpatient Admissions.
<p>NOTE: For an <i>emergency</i> admission, precertification is not required. However, you, your authorized representative or <i>physician</i> must notify the <i>claims administrator</i> within 24 hours of the admission or as soon as possible within a reasonable period of time.</p>		

HOW DECISIONS ARE MADE

The *claims administrator* uses clinical coverage guidelines, such as medical policy, clinical guidelines, and other applicable policies and procedures to help make medical necessity decisions. This includes decisions about *prescription drugs* as detailed in the section “Prescription Drugs Obtained From Or Administered By a Medical Provider.” Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. The *claims administrator* reserves the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning your request. To ask for this information, call the precertification phone number on the back of your identification card. You can also find our medical policies on our website at www.anthem.com.

If you are not satisfied with the *plan’s* decision under this section of your benefits, you may call the Member Services phone number on the back of your Identification Card.

DECISION AND NOTICE REQUIREMENTS

The *claims administrator* will review requests for medical necessity according to the timeframes listed below. The timeframes and requirements listed are based on state and federal laws. Where state laws are stricter than federal laws, the *plan* will follow state laws. If you live in and/or get services in a state other than the state where your *plan* was issued, other state-specific requirements may apply. You may call the phone number on the back of your identification card for more details.

Request Category	Timeframe Requirement for Decision
Urgent Pre-Service Review	72 hours from the receipt of the request
Non-Urgent Pre-Service Review	15 business days from the receipt of the request
Urgent Continued Stay / Concurrent Review when hospitalized at the time of the request and no previous authorization exists	24 hours from the receipt of the request. We may request additional information within the first 24 hours and then extend to 72 hours
Urgent Continued Stay / Concurrent Review when request is received at least 24 hours before the end of the previous authorization	24 hours from the receipt of the request
Urgent Continued Stay / Concurrent Review when request is received less than 24 hours before the end of the previous authorization	72 hours from the receipt of the request
Non-Urgent Continued Stay / Concurrent Review	15 business days from the receipt of the request
Post-Service Review	30 calendar days from the receipt of the request

If more information is needed to make a decision, the *claims administrator* will tell the requesting *physician* of the specific information needed to finish the review. If the *plan* does not get the specific information it needs by the required timeframe identified in the written notice, the *claims administrator* will make a decision based upon the information received.

The *claims administrator* will notify you and your *physician* of the *plan's* decision as required by state and federal law. Notice may be given by one or more of the following methods: verbal, written and/or electronic.

For a copy of the medical necessity review process, please contact Member Services at the telephone number on the back of your Identification Card.

Revoking or modifying a Precertification Review decision. The *claims administrator* will determine **in advance** whether certain services (including procedures and admissions) are *medically necessary*, including treatment of *mental health or substance use disorder*, and are the appropriate length of stay, if applicable. These review decisions may be revoked or modified prior to the service being rendered for reasons including but not limited to the following:

- Your coverage under this *plan* ends;
- The *agreement* with the *plan administrator* terminates;
- You reach a benefit maximum that applies to the service in question;
- Your benefits under the *plan* change so that the service is no longer covered or is covered in a different way.

HEALTH PLAN INDIVIDUAL CASE MANAGEMENT

The health plan individual case management program enables the *claims administrator* to assist you to obtain medically appropriate care in a more economical, cost-effective and coordinated manner during prolonged periods of intensive medical care. Through a case manager, the *claims administrator* will discuss possible options for an alternative plan of treatment which may include services not covered under this *plan*. It is not your right to receive personal case management, nor does the *claims administrator* have an obligation to provide it.

HOW HEALTH PLAN INDIVIDUAL CASE MANAGEMENT WORKS

The health plan individual case management program (Case Management) helps coordinate services for *members* with health care needs due to serious, complex, and/or chronic health conditions. The programs coordinate benefits and educate *members* who agree to take part in the Case Management program to help meet their health-related needs.

The Case Management programs are confidential and voluntary, and are made available at no extra cost to you. These programs are provided by, or on behalf of and at the request of, your health plan case management staff. These Case Management programs are separate from any covered services you are receiving.

If you meet program criteria and agree to take part, then *claims administrator* will help you meet your identified health care needs. This is reached through contact and team work with you and /or your chosen authorized representative, treating *physicians*, and other providers.

In addition, the *claims administrator* may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.

Alternative Treatment Plan. In certain cases of severe or chronic illness or injury, the *plan* may provide benefits for alternate care that is not listed as a covered service. The *claims administrator* may also extend services beyond the benefit maximums of this *plan*. A decision will be made case-by-case basis by the *claims administrator* if it determines that the alternate or extended benefit is in the best interest for you and the *plan* and you or your authorized representative agree to the alternate and extended benefit in writing. A decision to provide extended benefits or approve alternate care in one case does not obligate us to provide the same benefits again to you or to any other member. The *claims administrator* reserves the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, the *claims administrator* will notify you or your authorized representative in writing.

EXCEPTIONS TO THE UTILIZATION REVIEW PROGRAM

From time to time, the *claims administrator* may waive, enhance, modify, or discontinue certain medical management processes (including utilization management, case management, and disease management) if, in the *claims administrator's* discretion, such a change furthers the provision of cost effective, value based and quality services. In addition, the *claims administrator* may select certain qualifying health care providers to participate in a program or a provider arrangement that exempts them from certain procedural or medical management processes that would otherwise apply. The *claims administrator* may also exempt claims from medical review if certain conditions apply.

If the *claims administrator* exempts a process, health care provider, or claim from the standards that would otherwise apply, they are in no way obligated to do so in the future, or to do so for any other health care provider, claim, or *member*. The *claims administrator* may stop or modify any such exemption with or without advance notice.

The *claims administrator* also may identify certain providers to review for potential fraud, waste, abuse or other inappropriate activity if the claims data suggests there may be inappropriate billing practices. If a provider is selected under this program, then the *claims administrator* may use one or more clinical utilization management guidelines in the review of claims submitted by this provider, even if those guidelines are not used for all providers delivering services to this *plan's members*.

You may determine whether a health care provider participates in certain programs or a provider arrangement by checking the *claims administrator's* online provider directory on the website at www.anthem.com/ca or by calling the member services telephone number listed on your ID card.

QUALITY ASSURANCE

Utilization review programs are monitored, evaluated, and improved on an ongoing basis to ensure consistency of application of screening criteria and medical policy, consistency and reliability of decisions by reviewers, and compliance with policy and procedure including but not limited to timeframes for decision making, notification and written confirmation. The *claims administrator's* Board of Directors is responsible for medical necessity review processes through its oversight committees including the Strategic Planning Committee, Quality Management Committee, and Physician Relations Committee. Oversight includes approval of policies and procedures, review and approval of self-audit tools, procedures, and results. Monthly process audits measure the performance of reviewers and Peer Clinical Reviewers against

approved written policies, procedures, and timeframes. Quarterly reports of audit results and, when needed, corrective action plans are reviewed and approved through the committee structure.

ELIGIBILITY, ENROLLMENT AND CONTINUATION OF COVERAGE

See the accompanying Google LLC Welfare Benefit Plan Summary Plan Description for information about eligibility for employees and their dependents, including enrollment, when coverage begins and ends and continuation of coverage, such as under COBRA.

Important Note for Newborn and Newly-Adopted Children. If the employee (or dependents) is already covered: (1) any child born to the employee or spouse or domestic partner will be enrolled from the moment of birth; and (2) any child being adopted by the employee, spouse or domestic partner will be enrolled from the date on which either: (a) the adoptive child's birth parent, or other appropriate legal authority, signs a written document granting the employee, spouse or domestic partner the right to control the health care of the child (in the absence of a written document, other evidence of the employee's, spouse's or domestic partner's right to control the health care of the child may be used); or (b) the employee, spouse or domestic partner assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption. The "written document" referred to above includes, but is not limited to, a health *facility* minor release report, a medical authorization form, or relinquishment form.

In both cases, coverage will be in effect for 31 days. For coverage to continue beyond this 31-day period, the employee must submit a membership change form to the *plan administrator* within the 31-day period.

If employee, spouse, or domestic partner elects to waive this automatic 31-day coverage, they must contact the Anthem service team within 60 days from the newborn's birth date, or from the adoption date as described above. **For information on coordinating benefits between dual plans, please refer to the Coordination of Benefits section on this plan document.**

GENERAL PROVISIONS

Providing of Care. We are not responsible for providing any type of *hospital*, medical or similar care, nor are we responsible for the quality of any such care received.

Independent Contractors. The *claims administrator's* relationship with providers is that of an independent contractor. *Physicians*, and other health care professionals, *hospitals*, *skilled nursing facilities* and other community agencies are not the *claims administrator's* agents nor is the *claims administrator*, or any of the employees of the *claims administrator*, an employee or agent of any *hospital*, medical group or medical care provider of any type.

Non-Regulation of Providers. The benefits of this *plan* do not regulate the amounts charged by providers of medical care, except to the extent that rates for covered services are regulated with *participating providers*.

Inter-Plan Arrangements

Out-of-Area Services

Overview. The *claims administrator* has a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the geographic area we serve (the "Anthem Blue Cross" Service Area), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of the Anthem Blue Cross Service Area, you will receive it from one of two kinds of providers. Most providers ("participating providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some providers ("non-participating providers") do not contract with the Host Blue. See below for an explanation of how both kinds of providers are paid.

Inter-Plan Arrangements Eligibility – Claim Types

Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are *prescription drugs* that you obtain from a *pharmacy* and most dental or vision benefits.

A. BlueCard[®] Program

Under the BlueCard[®] Program, when you receive covered services within the geographic area served by a Host Blue, the *claims administrator* will still fulfill the plan's contractual obligations. But, the Host Blue is responsible for: (a) contracting with its providers; and (b) handling its interactions with those providers.

When you receive covered services outside the Anthem Blue Cross Service Area and the claim is processed through the BlueCard Program, the amount you pay is calculated based on the lower of:

- The billed charges for covered services; or
- The negotiated price that the Host Blue makes available to the *claims administrator*.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the provider. Sometimes, it is an estimated price that takes into account special arrangements with that provider. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we used for your claim because they will not be applied after a claim has already been paid.

B. Negotiated (non-BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, Anthem Blue Cross may process your claims for covered services through Negotiated Arrangements for National Accounts.

The amount you pay for covered services under this arrangement will be calculated based on the lower of either billed charges for covered services or the negotiated price (refer to the description of negotiated price under Section A. BlueCard Program) made available to Anthem Blue Cross by the Host Blue.

C. Special Cases: Value-Based Programs

BlueCard[®] Program

If you receive covered services under a Value-Based Program inside a Host Blue's Service Area, you will not be responsible for paying any of the provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Anthem Blue Cross through average pricing or fee schedule adjustments. Additional information is available upon request.

Value-Based Programs: Negotiated (non-BlueCard Program) Arrangements

If Anthem Blue Cross has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the group on your behalf, Anthem Blue Cross will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, the *claims administrator* will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

E. Non-participating Providers Outside Our Service Area

1. Allowed Amounts and Member Liability Calculation

When covered services are provided outside of Anthem Blue Cross's Service Area by non-participating providers, the *claims administrator* may determine benefits and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount you pay for such services as deductible or co-payment will be based on that allowed amount. Also, you may be responsible for the difference between the amount that the non-participating provider bills and the payment the *claims administrator* will make for the covered services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network *emergency* services.

2. Exceptions

In certain situations, the *claims administrator* may use other pricing methods, such as billed charges or the pricing we would use if the healthcare services had been obtained within the Anthem Blue Cross Service Area, or a special negotiated price to determine the amount we will pay for services provided by non-participating providers. In these situations, you may be liable for the difference between the amount that the non-participating provider bills and the payment we make for the covered services as set forth in this paragraph.

F. BlueCross BlueShield Global Core[®] Program

If you plan to travel outside the United States, call Member Services for information about your BlueCross BlueShield Global Core benefits. Benefits for services received outside of the United States may be different from services received in the United States. Remember to take an up to date health ID card with you.

When you are traveling abroad and need medical care, you can call the BlueCross BlueShield Global Core Service Center any time. They are available 24 hours a day, seven days a week. The toll free number is **(800) 810-BLUE (2583)**. Or you can call them collect at **(804) 673-1177**.

If you need inpatient hospital care, you or someone on your behalf, should contact the *claims administrator* for preauthorization. Keep in mind, if you need *emergency* medical care, go to the nearest hospital. There is no need to call before you receive care.

Please refer to the "Utilization Review Program" section in this booklet for further information. You can learn how to get pre-authorization when you need to be admitted to the hospital for *emergency* or non-emergency care.

How Claims are Paid with BlueCross BlueShield Global Core

In most cases, when you arrange inpatient hospital care with BlueCross BlueShield Global Core, claims will be filed for you. The only amounts that you may need to pay up front are any co-payment or deductible amounts that may apply.

You will typically need to pay for the following services up front:

- *Physician* services;
- Inpatient hospital care not arranged through BlueCross BlueShield Global Core; and
- Outpatient services.

You will need to file a claim form for any payments made up front.

When you need BlueCross BlueShield Global Core claim forms you can get international claims forms in the following ways:

- Call the BlueCross BlueShield Global Core Service Center at the numbers above; or
- Online at www.bcbsglobalcore.com

You will find the address for mailing the claim on the form.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Terms of Coverage

1. In order for you to be entitled to benefits under the *plan*, both the *plan* and your coverage under the *plan* must be in effect on the date the expense giving rise to a claim for benefits is incurred.
2. The benefits to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for benefits is incurred. An expense is incurred on the date you receive the service or supply for which the charge is made.
3. The *plan* is subject to amendment, modification or termination according to the provisions of the *plan* without your consent or concurrence.

Protection of Coverage. We do not have the right to cancel your coverage under this *plan* while: (1) this *plan* is in effect; (2) you are eligible; and (3) your required monthly contributions are paid according to the terms of the *plan*.

Free Choice of Provider. This *plan* in no way interferes with your right as a *member* entitled to *hospital* benefits to select a *hospital*. You may choose any *physician* who holds a valid *physician* and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the *hospital* where services are received. You may also choose any other health care professional or *facility* which

provides care covered under this *plan*, and is properly licensed according to appropriate state and local laws. But your choice may affect the benefits payable according to this *plan*.

Medical Necessity. The benefits of this *plan* are provided only for services which the *claims administrator* determines to be *medically necessary*. The services must be ordered by the attending *physician* for the direct care and treatment of a covered condition. They must be standard medical practice where received for the condition being treated and must be legal in the United States. The process used to authorize or deny health care services under this *plan* is available to you upon request.

Expense in Excess of Benefits. We are not liable for any expense you incur in excess of the benefits of this *plan*.

Benefits Not Transferable. Only the *member* is entitled to receive benefits under this *plan*. The right to benefits cannot be transferred.

Notice of Claim. After you get covered services, the *claims administrator* must receive written notice of your claim in order for benefits to be paid.

- *Participating providers* will submit claims for you. They are responsible for ensuring that claims have the information we need to determine benefits. If the claim does not include enough information, we will ask them for more details, and they will be required to supply those details within certain timeframes.
- *Non-participating provider* claims can be submitted by the *physician* if the *physician* is willing to file on your behalf. However, if the *physician* is not submitting on your behalf, you will be required to submit the claim. Claim forms are usually available from the Provider. If they do not have a claims form, you can send a written request to the *claims administrator*, or contact Member Services and ask for a claims form to be sent to you. If you do not receive the claims form, you can still submit written notice of the claim without the claim form. The same information that would be given on the claim form must be included in the written notice of claim, including:
 - Name of patient.
 - Patient's relationship with the *member*.
 - Identification number.
 - Date, type, and place of service.
 - Your signature and the *physician's* signature.

Non-participating provider claims must be submitted within 180 days after the date of service. In certain cases, state or federal law may allow additional time to file a claim, if you could not reasonably file within the 180-day period. The claim must have the information we need to determine benefits. If the claim does not include enough information, we will ask you for more details and inform you of the time by which we need to receive that information. Once we receive the required information, we will process the claim according to the terms of your *plan*.

Claims submitted by a public (government operated) hospital or clinic will be paid by us directly, as long as you have not already received benefit under that claim. We will pay all claims within 30 days after we

receive proof of loss. If you are dissatisfied with our denial or amount of payment, you may request that we review the claim a second time, and you may submit any additional relevant information.

Please note that failure to submit the information we need by the time listed in our request could result in the denial of your claim, unless state or federal law requires an extension. Please contact Member Services if you have any questions or concerns about how to submit claims.

Timely Payment of Claims. Any benefits due under this *plan* shall be due once the *claims administrator* has received proper, written proof of loss, together with such reasonably necessary additional information the *claims administrator* may require to determine our obligation. Fully completed claims are processed in the order they are received by the *claims administrator*, not necessarily in the order services were rendered. If you have questions regarding what is required for a fully completed claim, please review guidelines under this section. Final determination regarding the order in which claims are processed is at the discretion of the *claims administrator*.

Member's Cooperation. You will be expected to complete and submit to the *claims administrator* all such authorizations, consents, releases, assignments and other documents that may be needed in order to obtain or assure reimbursement under Medicare, Workers' Compensation or any other governmental program. If you fail to cooperate, you will be responsible for any charge for services.

Payment of Benefits. You authorize the *claims administrator*, in its own discretion and on behalf of the employer, to make payments directly to providers for covered services. In no event, however, shall the *plan's* right to make payments directly to a provider be deemed to suggest that any provider is a beneficiary with independent claims and appeal rights under the *plan*. The *claims administrator* also reserves the right, in its own discretion, to make payments directly to you as opposed to any provider for covered service. In the event that payment is made directly to you, you have the responsibility to apply this payment to the claim from the *non-participating provider*. Payments and notice regarding the receipt and/or adjudication of claims may also be sent to an alternate recipient (which is defined herein as any child of a *subscriber* who is recognized under a "Qualified Medical Child Support Order" as having a right to enrollment under the employer's *plan*), or that person's custodial parent or designated representative. Any payments made by the claims administrator (whether to any provider for covered service or you) will discharge the employer's obligation to pay for covered services. You cannot assign your right to receive payment to anyone, except as required by a "Qualified Medical Child Support Order" as defined by, and if subject to, ERISA or any applicable Federal law.

Once a provider performs a covered service, the *claims administrator* will not honor a request to withhold payment of the claims submitted.

The coverage, rights, and benefits under the *plan* are not assignable by any *member* without the written consent of the *plan*, except as provided above. This prohibition against assignment includes rights to receive payment, claim benefits under the *plan* and/or law, sue or otherwise begin legal action, or request *plan* documents or any other information that a participant or beneficiary may request under ERISA. Any assignment made without written consent from the *plan* will be void and unenforceable.

Right of Recovery (erroneous payments, overpayments, etc.). Whenever payment has been made in error, the *claims administrator* will have the right to recover such payment from you or, if applicable, the

provider, in accordance with applicable laws and regulations. In the event the *claims administrator* recovers a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, the *claims administrator* will only recover such payment from the provider within 365 days of the date the payment was made on a claim submitted by the provider. The *claims administrator* reserve the right to deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if the *claims administrator* pays your healthcare provider amounts that are your responsibility, such as deductibles, co-payments or co-insurance, the *claims administrator* may collect such amounts directly from you. You agree that the *claims administrator* has the right to recover such amounts from you.

The *claims administrator* has oversight responsibility for compliance with provider and vendor and subcontractor contracts. The *claims administrator* may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

The *claims administrator* has established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. The *claims administrator* will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. The *claims administrator* may not provide you with notice of overpayments made by them or you if the recovery method makes providing such notice administratively burdensome.

The *claims administrator* reserves the right to deduct or offset, including cross plan offsetting on *participating provider* claims and on *non-participating providers* claims where the *non-participating providers* agrees to cross plan offsetting, any amounts paid in error from any pending or future claim.

Plan Administrator - COBRA and ERISA. In no event will the *claims administrator* be *plan administrator* for the purposes of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) or the Employee Retirement Income Security Act (ERISA). The term "*plan administrator*" refers to the Administrative Committee of the Google LLC Welfare Benefit Plan or to a person or entity other than the *claims administrator*, engaged by Google LLC to perform or assist in performing administrative tasks in connection with the *plan*. Except where delegated to the *claims administrator*, the *plan administrator* is responsible for satisfaction of notice, disclosure and other obligations of administrators under ERISA.

Workers' Compensation Insurance. The *plan* does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Prepayment Fees. The *plan administrator* may require that you contribute all or part of the costs of these required monthly contributions. Please consult your *plan administrator* for details.

Liability to Pay Providers. In the event that the *plan* does not pay a provider who has provided benefits to you, you will be required to pay that provider any amounts not paid to them by the *plan*.

Renewal Provisions. The *plan* is subject to renewal at certain intervals. The required monthly contribution or other terms of the *plan* may be changed from time to time.

Financial Arrangements with Providers. The *claims administrator* or an affiliate has contracts with certain health care providers and suppliers (hereafter referred to together as "Providers") for the provision of and payment for health care services rendered to its members and *members* entitled to health care

benefits under individual certificates and group policies or contracts to which *claims administrator* or an affiliate is a party, including all persons covered under the *plan*.

Under the above-referenced contracts between Providers and *claims administrator* or an affiliate, the negotiated rates paid for certain medical services provided to persons covered under the *plan* may differ from the rates paid for persons covered by other types of products or programs offered by the *claims administrator* or an affiliate for the same medical services. In negotiating the terms of the *plan*, the *plan administrator* was aware that the *claims administrator* or its affiliates offer several types of products and programs. The members, *members* and *plan administrator* are entitled to receive the benefits of only those discounts, payments, settlements, incentives, adjustments and/or allowances specifically set forth in the *plan*.

Also, under arrangements with some Providers certain discounts, payments, rebates settlements, incentives, adjustments and/or allowances, including, but not limited to, pharmacy rebates, may be based on aggregate payments made by the *claims administrator* or an affiliate in respect to all health care services rendered to all persons who have coverage through a program provided or administered by the *claims administrator* or an affiliate. They are not attributed to specific claims or plans and do not inure to the benefit of any covered individual or group, but may be considered by the *claims administrator* or an affiliate in determining its fees or subscription charges or premiums.

Continuity of Care after Termination of Provider: Subject to the terms and conditions set forth below, benefits will be provided at the *participating provider* level for covered services (subject to applicable copayments, coinsurance, deductibles and other terms) received from a provider at the time the provider's contract is terminated by a Blue Cross or Blue Shield plan (unless the provider's contract is terminated for reasons of medical disciplinary cause or reason, fraud, or other criminal activity). This does not apply to a provider who voluntarily terminates his or her contract. If your *physician* leaves our network for any reason other than termination of cause, or if coverage under this *plan* ends because your *group's agreement* ends, or because your *group* changes plans, and you are in active treatment, you may be able to continue seeing that provider for a limited period of time and still get the *participating provider* benefits.

You must be under the care of the *participating provider* at the time the provider's contract terminates. The terminated provider must agree in writing to provide services to you in accordance with the terms and conditions of his or her agreement with the Blue Cross or Blue Shield plan prior to termination. The provider must also agree in writing to accept the terms and reimbursement rates under his or her agreement with the Blue Cross or Blue Shield plan prior to termination. If the provider does not agree with these contractual terms and conditions, the provider's services will not be continued beyond the contract termination date.

Benefits for the completion of covered services by a terminated provider will be provided only for the following conditions:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain

remission or prevent deterioration. Completion of covered services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by the *claims administrator* in consultation with you and the terminated provider and consistent with good professional practice. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.

3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of covered services shall be provided for the duration of the pregnancy.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of covered services shall be provided for the duration of the terminal illness.
5. The care of a newborn *child* between birth and age thirty-six (36) months. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.
6. Performance of a surgery or other procedure that the *claims administrator* has authorized as part of a documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the date the provider's contract terminates.

Such benefits will not apply to providers who have been terminated due to medical disciplinary cause or reason, fraud, or other criminal activity.

Please contact member services at the telephone number listed on your ID card to request continuity of care or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Continuity of care does not provide coverage for services not otherwise covered under the *plan*.

You will be notified by telephone, and the provider by telephone and fax, as to whether or not your request for continuity of care is approved. If approved, you will be financially responsible only for applicable deductibles, coinsurance, and copayments under the *plan*. Financial arrangements with terminated providers are negotiated on a case-by-case basis. The terminated provider will be asked to agree to accept reimbursement and contractual requirements that apply to *participating providers*, including payment terms. If the terminated provider does not agree to accept the same reimbursement and contractual requirements, that provider's services will not be continued. If you disagree with the determination regarding continuity of care, you may file a complaint as described in the COMPLAINT NOTICE.

Policies, Procedures, and Pilot Programs. We are able to introduce new policies, procedures, rules and interpretations, as long as they are reasonable. Such changes are introduced to make the *plan* more orderly and efficient. *Members* must follow and accept any new policies, procedures, rules, and interpretations.

Under the terms of the *agreement*, we have the authority to introduce or terminate from time to time, pilot or test programs for disease management, care management, case management, clinical quality or wellness initiatives which may result in the payment of benefits not otherwise specified in this booklet. We reserve the right to discontinue a pilot or test program at any time.

Protecting your privacy

Where to find our Notice of Privacy Practices

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law governing the privacy of individually identifiable health information. We are required by HIPAA to notify you of the availability of our Notice of Privacy Practices. The notice describes our privacy practices, legal duties and your rights concerning your Protected Health Information. We must follow the privacy practices described in the notice while it is in effect (it will remain in effect unless and until we publish and issue a new notice).

Please refer to the Notice of Privacy Practices in the Google LLC Welfare Benefit Plan Wrap Summary Plan Description.

DEFINITIONS

The meanings of key terms used in this *benefit booklet* are shown below. Whenever any of the key terms shown below appear, it will appear in italicized letters. When any of the terms below are italicized in your *benefit booklet*, you should refer to this section.

Accidental injury is physical harm or disability which is the result of a specific unexpected incident caused by an outside force. The physical harm or disability must have occurred at an identifiable time and place. Accidental injury does not include illness or infection, except infection of a cut or wound.

Ambulatory surgical center is a *facility* licensed as an *ambulatory surgery center* as required by law that satisfies our accreditation requirements and is approved by us.

Authorized referral occurs when you, because of your medical needs, require the services of a specialist who is to a *non-participating provider*, or require special services or facilities not available at a *contracting hospital*, but only when the referral has been authorized by us before services are rendered and when the following conditions are met:

1. there is no *participating provider* who practices in the appropriate specialty, or there is no *contracting hospital* which provides the required services or has the necessary facilities; and
2. that meets the adequacy and accessibility requirements of state or federal law.

You or your *physician* must call the toll-free telephone number printed on your identification card prior to scheduling an admission to, or receiving the services of, a *non-participating provider*.

Such authorized referrals are not available to bariatric surgical services.

Benefit Booklet (benefit booklet) is this written description of the benefits provided under the *plan*.

Blue Distinction Centers for Specialty Care (BDCSC) are health care providers designated by the *claims administrator* as a selected *facility* for specified medical services. A provider participating in a BDCSC network has an agreement in effect with the *claims administrator* at the time services are rendered or is available through their affiliate companies or our relationship with the Blue Cross and Blue Shield

Association. BDCSC agree to accept the *maximum allowed amount* as payment in full for covered services. A *participating provider* is not necessarily a BDCSC.

Centers of Medical Excellence (CME) are health care providers designated by the *claims administrator* as a selected *facility* for specified medical services. A provider participating in a CME network has an agreement in effect with the *claims administrator* at the time services are rendered or is available through their affiliate companies or their relationship with the Blue Cross and Blue Shield Association. CME agree to accept the *maximum allowed amount* as payment in full for covered services. A *participating provider* is not necessarily a CME.

Child meets the *plan's* eligibility requirements for children as outlined under the Summary Plan Description.

Claims administrator refers to Anthem Blue Cross Life and Health Insurance Company. On behalf of Anthem Blue Cross Life and Health Insurance Company, Anthem Blue Cross shall perform all administrative services in connection with the processing of claims under the *plan*.

Consolidated Appropriations Act of 2021 is a federal law described in the "Consolidated Appropriations Act of 2021 Notice" at the front of this booklet for details.

Controlled Substances are *drugs* and other substances that are considered controlled substances under the Controlled Substances Act (CSA) which are divided into five schedules.

Custodial care is care provided primarily to meet your personal needs. This includes help in walking, bathing or dressing. It also includes: preparing food or special diets; feeding by utensil, tube or gastrostomy; suctioning and administration of medicine which is usually self-administered or any other care which does not require continuing services of medical personnel.

If *medically necessary*, benefits will be provided for feeding (by tube or gastrostomy) and suctioning.

Day treatment center is an outpatient psychiatric *facility* which is licensed according to state and local laws to provide outpatient programs and treatment of *mental health* or substance use disorder under the supervision of *physicians*.

Dependent meets the *plan's* eligibility requirements for dependents as outlined under the Summary Plan Description.

Domestic partner meets the *plan's* eligibility requirements for domestic partners as outlined under the Summary Plan Description.

Drug (prescription drug) is a substance, that under the Federal Food, Drug & Cosmetic Act, must bear a message on their original packing label that says, "Caution: Federal law prohibits dispensing without a prescription." This includes the following:

- Compound (combination) medications, when all of the ingredients are FDA-approved in the form in which they are used in the *compound drug*, require a prescription to dispense and are not essentially the same as an FDA-approved product from a drug manufacturer.
- Insulin, diabetic supplies, and syringes.

Effective date is the date your coverage begins under this *plan*.

Emergency is a sudden, serious, and unexpected acute illness, injury, or condition (including without limitation sudden and unexpected severe pain), or a *psychiatric emergency medical condition*, which the *member* reasonably perceives could permanently endanger health if medical treatment is not received immediately. The *claims administrator* will have sole and final determination as to whether services were rendered in connection with an emergency.

Emergency services are services provided in connection with the initial treatment of a medical or psychiatric *emergency*.

Experimental is any medical, surgical and/or other procedures, services, products, *drugs* or devices including implants used for research except as specifically stated under the “Clinical Trials” provision from the section MEDICAL CARE THAT IS COVERED.

Facility is a *facility* including but not limited to, a *hospital*, freestanding *ambulatory surgery center*, chemical dependency treatment *facility*, *residential treatment center*, *skilled nursing facility*, or mental health *facility*, as defined in this booklet. The *facility* must be licensed as required by law, satisfy our accreditation requirements, and be approved by us.

Full-time employee meets the *plan’s* eligibility requirements for full-time employees as outlined under the Summary Plan Description.

Generally Accepted Standards of Mental Health and Substance Use Disorder Care are standards of care and clinical practice that are generally recognized by health care *providers* practicing in relevant clinical specialties such as psychiatry, psychology, clinical sociology, addiction medicine and counseling, and behavioral health treatment pursuant to state law. Valid, evidence-based sources establishing *generally accepted standards of mental health and substance use disorder care* include peer-reviewed scientific studies and medical literature, clinical practice guidelines and recommendations of nonprofit health care *provider* professional associations, specialty societies and federal government agencies, and drug labeling approved by the United States Food and Drug Administration.

Home health agencies are providers, licensed when required by law and approved by us, that:

- Gives skilled nursing and other services on a visiting basis in your home; and
- Supervises the delivery of services under a plan prescribed and approved in writing by the attending *physician*.

Home infusion therapy provider is a provider licensed according to state and local laws as a pharmacy, and must be either certified as a home health care provider by Medicare, or accredited as a home pharmacy by The Joint Commission (TJC).

Hospice is an agency or organization primarily engaged in providing palliative care (pain control and symptom relief) to terminally ill persons and supportive care to those persons and their families to help them cope with terminal illness. This care may be provided in the home or on an inpatient basis. A hospice must be: (1) certified by Medicare as a hospice; (2) recognized by Medicare as a hospice demonstration site; or

(3) accredited as a hospice by the Joint Commission on Accreditation of Hospitals. A list of hospices meeting these criteria is available upon request.

Hospital is a *facility* licensed as a *hospital* as required by law that satisfies our accreditation requirements and is approved by us. The term *hospital* does not include a provider, or that part of a provider, used mainly for:

- Nursing care
- Rest care
- Convalescent care
- Care of the aged
- Custodial Care
- Educational care
- Subacute care

Investigative or **Investigational** procedures, treatments, supplies, devices, equipment, facilities, or drugs (all services) that do not meet one (1) or more of the following criteria:

- have final approval from the appropriate government regulatory body; or
- have the credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community which permits reasonable conclusions concerning the effect of the procedure, treatment, supply, device, equipment, *facility* or drug (all services) on health outcomes; or
- be proven materially to improve the net health outcome; or
- be as beneficial as any established alternative; or
- show improvement outside the investigational settings.

Recommendations of national *physician* specialty societies, nationally recognized professional healthcare organizations and public health agencies, as well as information from the practicing community, may also be considered.

Maximum allowed amount is the maximum amount of reimbursement the *claims administrator* will allow for covered medical services and supplies under this *plan*. See YOUR MEDICAL BENEFITS: MAXIMUM ALLOWED AMOUNT.

Medically necessary procedures, supplies, equipment or services are those considered to be:

1. Appropriate and necessary for the diagnosis or treatment of the medical condition;
2. Clinically appropriate in terms of type, frequency, extent, site and duration and considered effective for the patient's illness, injury or disease
3. Provided for the diagnosis or direct care and treatment of the medical condition;
4. Within standards of good medical practice within the organized medical community;
5. Not primarily for your convenience, or for the convenience of your *physician* or another provider;

6. Not more costly than an equivalent service, including the same service in an alternative setting, or sequence of services that is medically appropriate and is likely to produce equivalent therapeutic or diagnostic results in regard to the diagnosis or treatment of the patient's illness, injury, or condition; and
7. The most appropriate procedure, supply, equipment or service which can safely be provided. The most appropriate procedure, supply, equipment or service must satisfy the following requirements:
 - a. There must be valid scientific evidence demonstrating that the expected health benefits from the procedure, supply, equipment or service are clinically significant and produce a greater likelihood of benefit, without a disproportionately greater risk of harm or complications, for you with the particular medical condition being treated than other possible alternatives; and
 - b. Generally accepted forms of treatment that are less invasive have been tried and found to be ineffective or are otherwise unsuitable.

For purposes of treatment of *mental health* and *substance use disorder*, Medically Necessary means a service or product addressing the specific needs of that patient, for the purpose of preventing, diagnosing, or treating an illness, injury, condition, or its symptoms, including minimizing the progression of an illness, injury, condition, or its symptoms, in a manner that is all of the following:

- (i) In accordance with the Generally Accepted Standards of Mental Health and Substance Use Disorder Care,
- (ii) Clinically appropriate in terms of type, frequency, extent, site, and duration, and
- (iii) Not primarily for the economic benefit of the Claims Administrator and the Member or for the convenience of the patient, treating Physician, or other health care Provider.

Member is the *subscriber* or *dependent*. A member may enroll under only one medical plan provided by the *plan administrator*, or any of its affiliates.

Mental health conditions, including substance use disorder are conditions that are listed in the most current edition of the Diagnostic and Statistical Manual (DSM) of Mental Disorders. Mental health conditions include severe mental disorders.

Non-participating provider is one of the following providers which is NOT participating in a Blue Cross and/or Blue Shield Plan at the time services are rendered:

- A *hospital*
- A *physician*
- An *ambulatory surgical center*
- A *home health agency*
- A *facility* which provides diagnostic imaging services
- A durable medical equipment outlet
- A *skilled nursing facility*

- A clinical laboratory
- A *home infusion therapy provider*
- An *urgent care center*
- A *retail health clinic*
- A *hospice*
- A licensed ambulance company
- A licensed qualified autism service provider

They are not *participating providers*. Remember that the *maximum allowed amount* may only represent a portion of the amount which a *non-participating provider* charges for services. See YOUR MEDICAL BENEFITS: MAXIMUM ALLOWED AMOUNT.

Other health care provider is one of the following providers:

- A certified registered nurse anesthetist
- A blood bank

The provider must be licensed according to state and local laws to provide covered medical services.

Participating provider is one of the following providers or other licensed health care professionals who are participating in a Blue Cross and/or Blue Shield Plan at the time services are rendered:

- A *hospital*
- A *physician*
- An *ambulatory surgical center*
- A *home health agency*
- A *facility* which provides diagnostic imaging services
- A durable medical equipment outlet
- A *skilled nursing facility*
- A clinical laboratory
- A *home infusion therapy provider*
- An *urgent care center*
- *Centers for Medical Excellence (CME)*
- *Blue Distinction Centers for Specialty Care (BDCSC)*
- A *retail health clinic*
- A *hospice*
- A licensed ambulance company
- A licensed qualified autism service provider

Participating providers agree to accept the *maximum allowed amount* as payment for covered services. A directory of *participating providers* is available upon request.

Pharmacy means a licensed retail pharmacy.

Physician means:

1. A doctor of medicine (M.D.) or doctor of osteopathy (D.O.) who is licensed to practice medicine or osteopathy where the care is provided; or
2. One of the following providers, but only when the provider is licensed to practice where the care is provided, is rendering a service within the scope of that license and such license is required to render that service, and is providing a service for which benefits are specified in this booklet:
 - A dentist (D.D.S. or D.M.D.)
 - An optometrist (O.D.)
 - A dispensing optician
 - A podiatrist or chiropodist (D.P.M., D.S.P. or D.S.C.)
 - A licensed clinical psychologist
 - A licensed educational psychologist for the provision of behavioral health treatment services for the treatment of autism spectrum disorders only
 - A chiropractor (D.C.)
 - An acupuncturist (A.C.)
 - A licensed midwife
 - A nurse practitioner
 - A physician assistant
 - A licensed clinical social worker (L.C.S.W.)
 - A marriage and family therapist (M.F.T.)
 - A licensed professional clinical counselor (L.P.C.C.)*
 - A physical therapist (P.T. or R.P.T.)*
 - A speech pathologist*
 - An audiologist*
 - An occupational therapist (O.T.R.)*
 - A respiratory care practitioner (R.C.P.)*
 - A nurse practitioner
 - A *psychiatric mental health nurse* (R.N.)*
 - Any agency licensed by the state to provide services for the treatment of *mental health* or substance use disorder, when required by law to cover those services.
 - A registered dietitian (R.D.)* or another nutritional professional* with a master's or higher degree in a field covering clinical nutrition sciences, from a college or university accredited by a regional accreditation agency, who is deemed qualified to provide these services by the referring M.D. or D.O. A registered dietitian or other nutritional professional as described here are covered for the provision of diabetic medical nutrition therapy and nutritional counseling.

***Note:** The providers indicated by asterisks (*) are covered only by referral of a physician as defined in 1 above.

Plan is the Google LLC Welfare Benefit Plan. The terms and conditions of the Plan are set forth in the formal Plan Documents, Google LLC Welfare Benefit Plan SPD, insurance policies (as applicable), and Benefits Booklets (as applicable, including this Benefits Booklet) related to benefits under the Plan. Together, these documents are incorporated by reference into the formal Plan Documents and constitute the written instruments under which the Plan is established and maintained. An amendment to one of these documents constitutes an amendment to the Plan.

Plan administrator refers to Administrative Committee of the Google LLC Welfare Benefit Plan, the entity which is responsible for the administration of the *plan*.

Preventive Care Services include routine examinations, screenings, tests, education, and immunizations administered with the intent of preventing future disease, illness, or injury. Services are considered preventive if you have no current symptoms or prior history of a medical condition associated with that screening or service. These services shall meet requirements as determined by federal and state law. Sources for determining which services are recommended include the following:

1. Services with an “A” or “B” rating from the United States Preventive Services Task Force (USPSTF);
2. Immunizations recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
3. Preventive care and screenings for infants, children, and adolescents as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and
4. Additional preventive care and screening for women provided for in the guidelines supported by the Health Resources and Services Administration.

Please call the member services number listed on your ID card for additional information about services that are covered by this *plan* as preventive care services. You may also refer to the following websites that are maintained by the U.S. Department of Health & Human Services.

<https://www.healthcare.gov/what-are-my-preventive-care-benefits>

<http://www.ahrq.gov>

<http://www.cdc.gov/vaccines/acip/index.html>

Prosthetic devices are appliances which replace all or part of a function of a permanently inoperative, absent or malfunctioning body part. The term "prosthetic devices" includes orthotic devices, rigid or semi-supportive devices which restrict or eliminate motion of a weak or diseased part of the body.

Psychiatric emergency medical condition is a *mental health condition* that manifests itself by acute symptoms of sufficient severity that the patient is either (1) an immediate danger to himself or herself or to others, or (2) immediately unable to provide for or utilize food, shelter, or clothing due to the *mental health condition*.

Psychiatric health facility is an acute 24-hour *facility* operating within the scope of a state license, or in accordance with a license waiver issued by the State. It must be:

1. Qualified to provide short-term inpatient treatment according to state law;
2. Accredited by The Joint Commission (TJC); and
3. Staffed by an organized medical or professional staff which includes a *physician* as medical director.

Psychiatric mental health nurse is a registered nurse (R.N.) who has a master's degree in psychiatric mental health nursing, and is registered as a psychiatric mental health nurse with the state board of registered nurses.

Residential treatment center is an inpatient *facility* that treats *mental health or substance use disorder* conditions. The *facility* must be licensed as a treatment center pursuant to state and local laws. The *facility* must be fully accredited by The Joint Commission (TJC), the Commission on Accreditation of Rehabilitation Facilities (CARF), the National Integrated Accreditation for Healthcare Organizations (NIAHO), or the Council on Accreditation (COA).

The term *residential treatment center/facility* does not include a provider, or that part of a provider, used mainly for:

- Nursing care
- Rest care
- Convalescent care
- Care of the aged
- *Custodial care*
- Educational care

Retail Health Clinic - A *facility* that provides limited basic medical care services to *members* on a “walk-in” basis. These clinics normally operate in major pharmacies or retail stores.

Skilled nursing facility is a *facility* licensed as a *skilled nursing facility* in the state in which it is located that satisfies our accreditation requirements and is approved by us.

A *skilled nursing facility* is not a place mainly for care of the aged, *custodial care* or domiciliary care, or a place for rest, educational, or similar services.

Special care units are special areas of a *hospital* which have highly skilled personnel and special equipment for acute conditions that require constant treatment and observation.

Specialist is a *physician* who focuses on a specific area of medicine or group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions. A non-physician specialist is a provider who has added training in a specific area of health care.

Specialty drugs are typically high-cost, injectable, infused, oral or inhaled medications that generally require close supervision and monitoring of their effect on the patient by a medical professional. Certain specified *specialty drugs* may require special handling, such as temperature controlled packaging and

overnight delivery, and therefore, certain specified *specialty drugs* will be required to be obtained through the specialty pharmacy program, unless you qualify for an exception.

Spouse meets the *plan's* eligibility requirements for spouses as outlined under the Summary Plan Description.

Stay is inpatient confinement which begins when you are admitted to a *facility* and ends when you are discharged from that *facility*.

Subscriber is the person who, by meeting the *plan's* eligibility requirements for employees, is allowed to choose membership under this *plan* for himself or herself and his or her eligible *dependents*. Such requirements are outlined in the Summary Plan Description. A person may enroll as a subscriber under only one medical plan provided by the *plan administrator*, or any of its affiliates.

Surprise Billing Claim is described in the "Consolidated Appropriations Act of 2021 Notice" at the front of this booklet for details.

Totally disabled dependent is a *dependent* who is unable to perform all activities usual for persons of that age.

Totally disabled subscriber is a *subscriber* who, because of illness or injury, is unable to work for income in any job for which he/she is qualified or for which they become qualified by training or experience, and who are in fact unemployed.

Urgent care is the services received for a sudden, serious, or unexpected illness, injury or condition, other than one which is life threatening, which requires immediate care for the relief of severe pain or diagnosis and treatment of such condition.

Urgent care center is a physician's office or a similar *facility* which meets established ambulatory care criteria and provides medical care outside of a hospital emergency department, usually on an unscheduled, walk-in basis. Urgent care centers are staffed by medical doctors, nurse practitioners and physician assistants primarily for the purpose of treating patients who have an injury or illness that requires immediate care but is not serious enough to warrant a visit to an emergency room.

To find an urgent care center, please call the member services number listed on your ID card or you can also search online using the "Find a Doctor" function on the website at www.anthem.com/ca. Please call the *urgent care center* directly for hours of operation and to verify that the center can help with the specific care that is needed.

We (us, our) refers to the Administrative Committee of the Google LLC Welfare Benefit Plan.

Year or **calendar year** is a 12 month period starting January 1 at 12:01 a.m. Pacific Standard Time.

You (your) refers to the *subscriber* and *dependents* who are enrolled for benefits under this *plan*.

YOUR RIGHT TO APPEALS

For purposes of these Appeal provisions, “claim for benefits” means a request for benefits under the *plan*. The term includes both pre-service and post-service claims.

- A pre-service claim is a claim for benefits under the *plan* for which you have not received the benefit or for which you may need to obtain approval in advance.
- A post-service claim is any other claim for benefits under the *plan* for which you have received the service.

If your claim is denied or if your coverage is rescinded:

- you will be provided with a written notice of the denial or rescission; and
- you are entitled to a full and fair review of the denial or rescission.

The procedure the *claims administrator* will satisfy following the minimum requirements for a full and fair review under applicable federal regulations.

Notice of Adverse Benefit Determination

If your claim is denied, the *claims administrator's* notice of the adverse benefit determination (denial) will include:

- information sufficient to identify the claim involved;
- the specific reason(s) for the denial;
- a reference to the specific *plan* provision(s) on which the *claims administrator's* determination is based;
- a description of any additional material or information needed to perfect your claim;
- an *explanation* of why the additional material or information is needed;
- a description of the *plan's* review procedures and the time limits that apply to them, including a statement of your right to bring a civil action under ERISA (if applicable) if you appeal and the claim denial is upheld;
- information about any internal rule, guideline, protocol, or other similar criterion relied upon in making the claim determination and about your right to request a copy of it free of charge, along with a discussion of the claims denial decision;
- information about the scientific or clinical judgment for any determination based on medical necessity or experimental treatment, or about your right to request this explanation free of charge, along with a discussion of the claims denial decision; and
- the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman who may assist you.

For claims involving urgent/concurrent care:

- the *claims administrator's* notice will also include a description of the applicable urgent/concurrent review process; and
- the *claims administrator* may notify you or your authorized representative within 24 hours orally and then furnish a written notification.

Appeals

You have the right to appeal an adverse benefit determination (claim denial or rescission of coverage). You or your authorized representative must file your appeal within 180 calendar days after you are notified of the denial or rescission. You will have the opportunity to submit written comments, documents, records, and other information supporting your claim. The *claims administrator's* review of your claim will take into account all information you submit, regardless of whether it was submitted or considered in the initial benefit determination.

- The *claims administrator* shall offer a single mandatory level of appeal and an additional voluntary second level of appeal which may be a panel review, independent review, or other process consistent with the entity reviewing the appeal. The time frame allowed for the *claims administrator* to complete its review is dependent upon the type of review involved (e.g. pre-service, concurrent, post-service, urgent, etc.).

For pre-service claims involving urgent/concurrent care, you may obtain an expedited appeal. You or your authorized representative may request it orally or in writing. All necessary information, including the *claims administrator's* decision, can be sent between the *claims administrator* and you by telephone, facsimile or other similar method. To file an appeal for a claim involving urgent/concurrent care, you or your authorized representative must contact the *claims administrator* at the phone number listed on your ID card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;
- the provider's name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for appeals should be submitted in writing by the Member or the Member's authorized representative, except where the acceptance of oral appeals is otherwise required by the nature of the appeal (e.g. urgent care). You or your authorized representative must submit a request for review to:

Anthem Blue Cross Life and Health Insurance Company
ATTN: Appeals
P.O. Box 54159, Los Angeles, CA 90054

Upon request, the *claims administrator* will provide, without charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim. “Relevant” means that the document, record, or other information:

- was relied on in making the benefit determination; or
- was submitted, considered, or produced in the course of making the benefit determination; or
- demonstrates compliance with processes and safeguards to ensure that claim determinations are made in accordance with the terms of the *plan*, applied consistently for similarly-situated claimants; or
- is a statement of the *plan*’s policy or guidance about the treatment or benefit relative to your diagnosis.

The *claims administrator* will also provide you, free of charge, with any new or additional evidence considered, relied upon, or generated in connection with your claim. In addition, before you receive an adverse benefit determination on review based on a new or additional rationale, the *claims administrator* will provide you, free of charge, with the rationale.

How Your Appeal will be Decided

When the *claims administrator* considers your appeal, the *claims administrator* will not rely upon the initial benefit determination or, for voluntary second-level appeals, to the earlier appeal determination. The review will be conducted by an appropriate reviewer who did not make the initial determination and who does not work for the person who made the initial determination. A voluntary second-level review will be conducted by an appropriate reviewer who did not make the initial determination or the first-level appeal determination and who does not work for the person who made the initial determination or first-level appeal determination.

If the denial was based in whole or in part on a medical judgment, including whether the treatment is experimental, investigational, or not *medically necessary*, the reviewer will consult with a health care professional who has the appropriate training and experience in the medical field involved in making the judgment. This health care professional will not be one who was consulted in making an earlier determination or who works for one who was consulted in making an earlier determination.

Notification of the Outcome of the Appeal

If you appeal a claim involving urgent/concurrent care, the *claims administrator* will notify you of the outcome of the appeal as soon as possible, but not later than 72 hours after receipt of your request for appeal.

If you appeal any other pre-service claim, the *claims administrator* will notify you of the outcome of the appeal within 15 days after receipt of your request for appeal.

If you appeal a post-service claim, the *claims administrator* will notify you of the outcome of the appeal within 15 days after receipt of your request for appeal.

Appeal Denial

- If your appeal is denied, that denial will be considered an adverse benefit determination. The notification from the *claims administrator* will include all of the information set forth in the above subsection entitled “Notice of Adverse Benefit Determination.”

Voluntary Second Level Appeals

If you are dissatisfied with the *Plan's* mandatory first level appeal decision, a voluntary second level appeal may be available. If you would like to initiate a second level appeal, please write to the address listed above. Voluntary appeals must be submitted within 60 calendar days of the denial of the first level appeal. You are not required to complete a voluntary second level appeal prior to submitting a request for an independent External Review or prior to bringing a claim to court. Any statute of limitations will be tolled during the voluntary second level appeal.

External Review

If the outcome of the mandatory first level appeal is adverse to you, you may be eligible for an independent External Review pursuant to federal law.

You must submit your request for External Review to the *claims administrator* within four (4) months of the notice of your final internal adverse determination.

A request for an External Review must be in writing unless the *claims administrator* determines that it is not reasonable to require a written statement. You do not have to re-send the information that you submitted for internal appeal. However, you are encouraged to submit any additional information that you think is important for review, which may include supporting documentation from the Plan's expert medical opinion benefit program (i.e. Included Health, AccessHope) for a pre-service claim.

Notwithstanding anything to the contrary in this Benefit Booklet, if a drug, device, medical treatment or other procedure for a pre-service claim is reviewed and recommended by the Plan's expert medical opinion benefit programs (i.e. Included Health, AccessHope), Anthem will consider such as grounds for approval of benefits in determining whether a drug, device, medical treatment or other procedure will be deemed medically necessary, experimental and/or investigational.

For pre-service claims involving urgent/concurrent care, you may proceed with an Expedited External Review without filing an internal appeal or while simultaneously pursuing an expedited appeal through the *claims administrator's* internal appeal process. You or your authorized representative may request it orally or in writing. All necessary information, including the *claims administrator's* decision, can be sent between the *claims administrator* and you by telephone, facsimile or other similar method. To proceed with an Expedited External Review, you or your authorized representative must contact the *claims administrator* at the phone number listed on your ID card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;

- the provider's name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for External Review should be submitted in writing unless the *claims administrator* determines that it is not reasonable to require a written statement. Such requests should be submitted by you or your authorized representative to:

Anthem Blue Cross Life and Health Insurance Company
ATTN: Appeals
P.O. Box 54159, Los Angeles, CA 90054

This is not an additional step that you must take in order to fulfill your appeal procedure obligations described above. Your decision to seek External Review will not affect your rights to any other benefits under this health care *plan*. There is no charge for you to initiate an independent External Review. The External Review decision is final and binding on all parties except for any relief available through applicable state laws or ERISA (if applicable).

Requirement to file an Appeal before filing a lawsuit

No lawsuit or legal action of any kind related to a benefit decision may be filed by you in a court of law or in any other forum, unless it is commenced within three years of the *Plan's* final decision on the claim or other request for benefits. If the *Plan* decides an appeal is untimely, the *Plan's* latest decision on the merits of the underlying claim or benefit request is the final decision date. You must exhaust the *Plan's* internal Appeals Procedure but not including any voluntary level of appeal, before filing a lawsuit or taking other legal action of any kind against the *Plan*.

If your appeal as described above results in an adverse benefit determination, you have a right to bring a civil action under Section 502(a) of the Employee Retirement Income Security Act of 1974 (ERISA).

The *claims administrator* reserves the right to modify the policies, procedures and timeframes in this section upon further clarification from Department of Health and Human Services and Department of Labor.

FOR YOUR INFORMATION

WEB SITE

Information specific to your benefits and claims history are available by calling the 800 number on your identification card. Anthem Blue Cross Life and Health is an affiliate of Anthem Blue Cross. You may use Anthem Blue Cross's web site to access benefit information, claims payment status, benefit maximum status, participating providers or to order an ID card. Simply log on to www.anthem.com/ca, select "Member", and click the "Register" button on your first visit to establish a User ID and Password to access the personalized and secure MemberAccess Web site. Once registered, simply click the "Login" button and enter your User ID and Password to access the MemberAccess Web site.

IDENTITY PROTECTION SERVICES

The *claims administrator* has made identity protection services available to *members*. To learn more about these services, please visit <https://anthemcares.allclearid.com/>.

LANGUAGE ASSISTANCE PROGRAM

Anthem Blue Cross Life and Health introduced its Language Assistance Program to provide certain written translation and oral interpretation services to California *members* with limited English proficiency.

The Language Assistance Program makes it possible for you to access oral interpretation services and certain written materials vital to understanding your health coverage at no additional cost to you.

Written materials available for translation include grievance and appeal letters, consent forms, claim denial letters, and explanations of benefits. These materials are available in the following languages:

- Spanish
- Chinese
- Vietnamese
- Korean
- Tagalog

Oral interpretation services are available in additional languages.

Requesting a written or oral translation is easy. Just contact Member Services by calling the phone number on your ID card to update your language preference to receive future translated documents or to request interpretation assistance. Anthem Blue Cross Life and Health also sends/receives TDD/TTY messages at **866-333-4823** or by using the National Relay Service through **711**.

For more information about the Language Assistance Program visit www.anthem.com/ca.

STATEMENT OF RIGHTS UNDER THE NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However the plan or issuer may pay for a shorter stay if the attending *physician* (e.g., your *physician*, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a *physician* or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain pre-certification.

For information on pre-certification, please call the member services telephone number listed on your ID card.

STATEMENT OF RIGHTS UNDER THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

This *plan*, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). If you have any questions about this coverage, please call the member services telephone number listed on your ID card.

CLAIMS DISCLOSURE NOTICE REQUIRED BY ERISA

The plan document and this booklet entitled "Benefit Booklet," contain information on reporting claims, including the time limitations on submitting a claim. Claim forms may be obtained from the Plan Administrator or from the Claims Administrator. (Note that the Claims Administrator is not the Plan Administrator nor the administrator for the purposes of ERISA.) In addition to this information, ERISA applies some additional claim procedure rules. The additional rules required by ERISA are set forth below.

Urgent Care. The Claims Administrator must notify you, within 72 hours after they receive your request for benefits, that they have it and what they determine your benefits to be. If your request for benefits does not contain all the necessary information, they must notify you within 24 hours after they get it and tell you what information is missing. Any notice to you by them will be orally, by telephone, or in writing by facsimile or other fast means. You have at least 48 hours to give them the additional information they need to process your request for benefits. You may give them the additional information they need orally, by telephone, or in writing by facsimile or other fast means.

If your request for benefits is denied in whole or in part, you will receive a notice of the denial within 72 hours after the Claims Administrator's receipt of the request for benefits, or 48 hours after receipt of all the information they need to process your request for benefits if the information is received within the time frame noted above. The notice will explain the reason for the adverse benefit determination and the plan provisions upon which the denial decision was based. You have 180 days to appeal their adverse benefit determination. You may appeal their decision orally, by telephone, or in writing by facsimile or other fast means. Within 72 hours after they receive your appeal, they must notify you of their decision, except as otherwise noted below. They will notify you orally, by telephone, or in writing by facsimile or other fast means. If your request for benefits is no longer considered urgent, it will be handled in the same manner as a Non-Urgent Care Pre-Service or Post-service appeal, depending upon the circumstances.

Non-Urgent Care Pre-Service (when care has not yet been received). The Claims Administrator must notify you within 15 days after they receive your request for benefits that they have it and what they have determined your benefits to be. If they need more than 15 days to determine your benefits, due to reasons beyond their control, they must notify you within that 15-day period that they need more time to determine your benefits. But, in any case, even with an extension, they cannot take more than 30 days to determine your benefits. If you do not properly submit all the necessary information for your request for benefits to them, they must notify you, within 5 days after they get it and tell you what information is missing. You have 45 days to provide them with the information they need to process your request for benefits. The time period

during which the Claims Administrator is waiting for receipt of the necessary information is not counted toward the time frame in which the Claims Administrator must make the benefit determination.

If your request for benefits is denied in whole or in part, you will receive a written notice of the denial within the time frame stated above after the Claims Administrator has all the information they need to process your request for benefits, if the information is received within the time frame noted above. The written notice will explain the reason for the adverse benefit determination and the plan provisions upon which the denial decision is based. You have 180 days to appeal their adverse benefit determination. Your appeal must be in writing. Within 30 days after they receive your appeal, they must notify you of their decision about it. Their notice of their decision will be in writing.

Concurrent Care Decisions:

- **Reduction of Benefits** – If, after approving a request for benefits in connection with your illness or injury, the Claims Administrator decides to reduce or end the benefits they have approved for you, in whole or in part:
 - They must notify you sufficiently in advance of the reduction in benefits, or the end of benefits, to allow you the opportunity to appeal their decision before the reduction in benefits or end of benefits occurs. In their notice to you, the Claims Administrator must explain their reason for reducing or ending your benefits and the plan provisions upon which the decision was made.
 - To keep the benefits you already have approved, you must successfully appeal the Claims Administrator's decision to reduce or end those benefits. You must make your appeal to them at least 24 hours prior to the occurrence of the reduction or ending of benefits. If you appeal the decision to reduce or end your benefits when there is less than 24 hours to the occurrence of the reduction or ending of benefits, your appeal may be treated as if you were appealing an urgent care denial of benefits (see the section "Urgent Care," above), depending upon the circumstances of your condition.
 - If the Claims Administrator receives your appeal for benefits at least 24 hours prior to the occurrence of the reduction or ending of benefits, they must notify you of their decision regarding your appeal within 24 hours of their receipt of it. If the Claims Administrator denies your appeal of their decision to reduce or end your benefits, in whole or in part, they must explain the reason for their denial of benefits and the plan provisions upon which the decision was made. You may further appeal the denial of benefits according to the rules for appeal of an urgent care denial of benefits (see the section "Urgent Care," above).
- **Extension of Benefits** – If, while you are undergoing a course of treatment in connection with your illness or injury, for which benefits have been approved, you would like to request an extension of benefits for additional treatments:
 - You must make a request to the Claims Administrator for the additional benefits at least 24 hours prior to the end of the initial course of treatment that had been previously approved for benefits. If you request additional benefits when there is less than 24 hours till the end of the initially prescribed course of treatment, your request will be handled as if it was a new request for benefits and not an extension and, depending on the circumstances, it may be handled as an Urgent or Non-Urgent Care Pre-service request for benefits.

- If the Claims Administrator receives your request for additional benefits at least 24 hours prior to the end of the initial course of treatment, previously approved for benefits, they must notify you of their decision regarding your request within 24 hours of their receipt of it if your request is for urgent care benefits. If the Claims Administrator denies your request for additional benefits, in whole or in part, they must explain the reason for their denial of benefits and the plan provisions upon which the decision was made. You may appeal the adverse benefit determination according to the rules for appeal for Urgent, Pre-Service or Post-Service adverse benefit determinations, depending upon the circumstances.

Non - Urgent Care Post-Service (reimbursement for cost of medical care). In most cases, the Claims Administrator will notify you, within 30 days after they receive your claim for benefits, that they have it and what they determine your benefits to be. If they need more than 30 days to determine your benefits, due to reasons beyond their control, they usually will notify you within that 30-day period that they need more time to determine your benefits. But, in any case, even with an extension, they should not take more than 45 days to determine your benefits. If you do not submit all the necessary information for your claim to them, they will notify you, within 30 days after they get it and tell you what information is missing. You have 45 days to provide them with the information they need to process your claim. The time period during which the Claims Administrator is waiting for receipt of the necessary information is not counted toward the time frame in which the Claims Administrator must make the benefit determination.

If your claim is denied in whole or in part, you will receive a written notice of the adverse benefit determination within the time frame stated above, or after the Claims Administrator has all the information they need to process your claim, if the information is received within the time frame noted above. The written notice will explain the reason for the adverse benefit determination and the plan provisions upon which the denial decision is based. You have 180 days to appeal their decision. Your appeal must be in writing. Within 15 days after they receive your appeal, they must notify you of their decision about it. Their notice to you or their decision will be in writing.

Note: You, your beneficiary, or a duly authorized representative may appeal any denial of a claim for benefits with the Claims Administrator and request a review of the denial. In connection with such a request:

- Documents pertinent to the administration of the Plan may be reviewed free of charge; and
- Issues outlining the basis of the appeal may be submitted.

You may have representation throughout the appeal and review procedure.

If you are interested in having a third party represent you in a claims appeal you must appoint that person as your authorized representative for the claim appeal. In order to appoint an authorized representative for a claim appeal, you must fill out a Designation of Representation (DOR) form. You can get a copy of Anthem's DOR form by contacting Anthem directly. If you do not use Anthem's DOR form, you should note that the DOR form you use must include provisions that are in Anthem's DOR form. Note that Anthem does not require a DOR on a pre-service claim where the treating physician is acting as your authorized representative on a claim appeal.

For the purposes of this provision, the meanings of the terms "urgent care," "Non-Urgent Care Pre-Service," and "Non - Urgent Care Post-Service," used in this provision, have the meanings set forth by ERISA for a "claim involving urgent care," "pre-service claim," and "post-service claim," respectively.

It's important we treat you fairly

That's why we follow federal civil rights laws in our health programs and activities. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people with disabilities, we offer free aids and services. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services? Call the Member Services number on your ID card for help (TTY/TDD: 711). If you think we failed to offer these services or discriminated based on race, color, national origin, age, disability, or sex, you can file a complaint, also known as a grievance. You can file a complaint with our Compliance Coordinator in writing to Compliance Coordinator, P.O. Box 27401, Mail Drop VA2002-N160, Richmond, VA 23279. Or you can file a complaint with the U.S. Department of Health and Human Services, Office for Civil Rights at 200 Independence Avenue, SW; Room 509F, HHH Building; Washington, D.C. 20201 or by calling 1-800-368-1019 (TDD: 1-800-537-7697) or online at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>. Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>
